**The Right Job For Today.  
The Right Company  
For Tomorrow.**

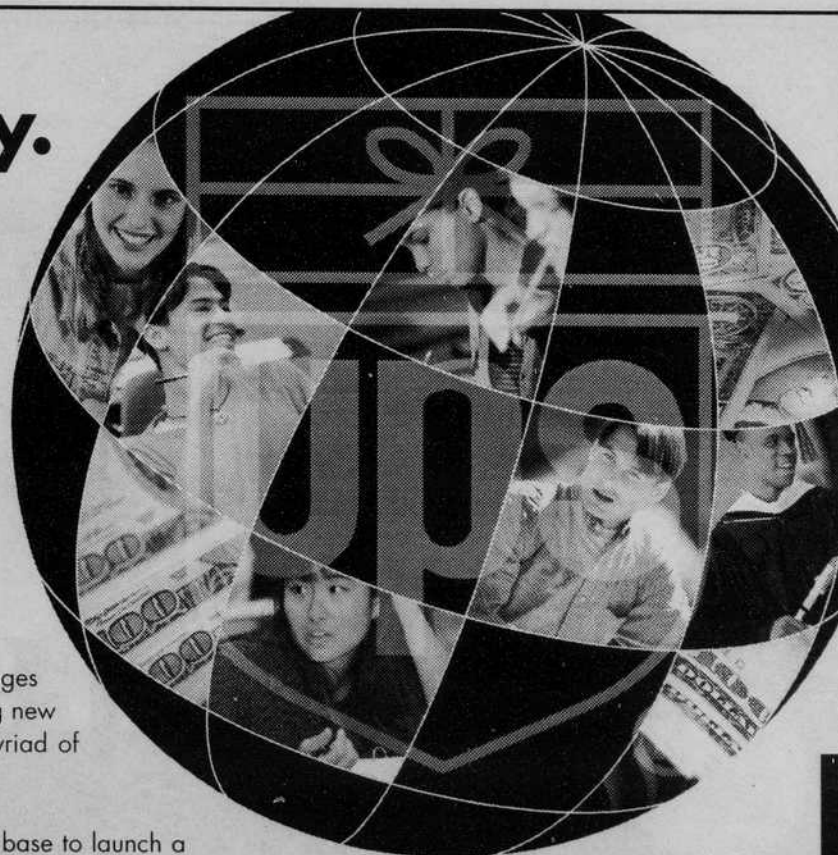

The future of UPS is evolving. From pilots, drivers and logistics specialists getting packages from one point to another, to information systems programmers and managers directing new ways of doing business through e-Commerce and document exchange, UPS has a myriad of growth opportunities for those who seek to achieve.

One thing is certain. At UPS, the skills and experience you'll gain will create a strong base to launch a future in whichever direction you choose.

**UPS is currently seeking strong leaders in the following majors:  
Business, Computer Science, Finance, and Engineering.**
