EOE

We Cultivate Champions!

Rogue Wave Software, Inc., the leading provider of software solutions for building high performance, distributed enterprise and Internet applications ...

... is looking for world class computer scientists to join its highly respected Software Support Team in Corvallis, OR.

If you have what it takes to communicate complex ideas, algorithms, and programming solutions to developer clients, then Rogue Wave wants to meet you and talk about being a Software Support Engineer.

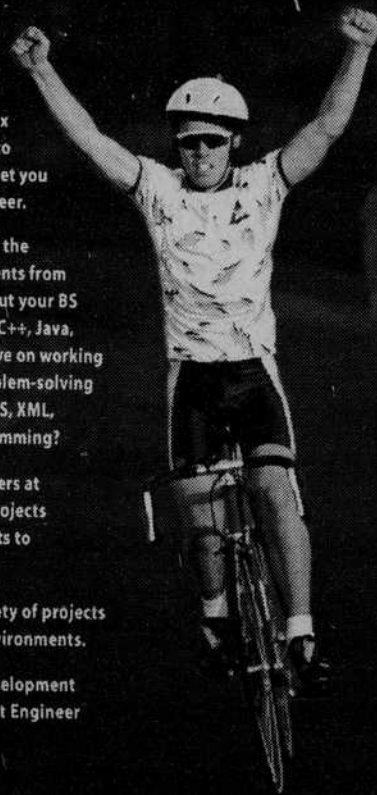

If you are effective at working in teams to meet the diverse programming and support needs of clients from around the world, then talk with us. Tell us about your BS or MS in Computer Science, your knowledge of C++, Java, and object-oriented programming. Do you thrive on working with new technology? Do you have strong problem-solving and analysis skills? An understanding of RDBMS, XML, distributed systems and multi-threaded programming?

Do you want more? Software Support Engineers at Rogue Wave get immediate satisfaction from projects because they work closely with developer clients to solve extreme technical challenges.

You won't be bored — you will work on a variety of projects helping real-world customers in production environments.

Your career won't stand still. The path to Development and Consulting makes being a Software Support Engineer at Rogue Wave a winning choice.

Join our team of champions!

Software Support Engineer

Interview with us on campus, visit our booth, or send a resume and cover letter noting the Software Support Engineer position to:

- E-mail techres@roguewave.com
- Fax (541) 754-3299

Equal Opportunity Employer

Trex

Sales Careers

Come join Forbes Magazine's "Best Small Company in America." Be a part of Trex Company, the leader in the wood composite industry. Through an innovative proprietary process, Trex uses all recycled materials to manufacture Trex Easy Care Decking - an innovative wood plastic lumber that is revolutionizing the decking market. We are seeking highly motivated, creative and innovative people to join our Sales Representative Training Program.

Consideration will be given to candidates who have the following minimum qualifications:

- BA or BS (preferably in a business related field)
- Excellent time management, organizational and communication skills
- A desire to travel.

If you are seeking an exciting, fast-paced sales career with an industry leader, stop by our booth at the University of Oregon's Winter Career Fair on Wednesday, January 24th and talk to one of our representatives. If you are unable to attend, please mail, fax, or e-mail your resume today to:
