

## promotions & special events

### silverzipper.com

Coming soon! Silverzipper.com is an online action sports community for Generation "i" (12-35 year olds). The community site will offer articles on action sports from snowboarding and biking to surfing and in-line skating. Silverzipper.com also promotes a diverse portfolio of ski and snowboard apparel, accessories, and equipment including Serac®, Drift®, and SkiGear®. For a sneak preview of the site, go to [www.silverzipper.com](http://www.silverzipper.com).

### experience of a lifetime

Head to HBO's New York City studio to witness a taping of the cable network's award-winning sports show, *Inside The NFL*. Find out how the show is planned and scripted, get insight into television production from the HBO team, and meet the hosts. Enter your resume into our contest at [www.experience.com](http://www.experience.com) and spend a day with HBO in New York.

### our store

OK, so maybe it's not a store where we sell T-shirts and yo-yos, but we can help you online shoppers find the best deals on the web. Check out The Store the next time you're at [experience.com](http://experience.com), and see who's got the hot stuff.

**These events and promotions are brought to you by us and by our advertisers. Check back each issue to find out what's hot online at [experience.com](http://experience.com), and for money-saving offers on- and offline.**

## check us out

### get a grip...

on companies and industries with our profiles. Want to find out if a screen-writing career is the right fit for you? Read what our experts have to say in our monthly career makeover column, "Voice of Experience."

### get a life...

with help from our Advice and Info section, the place to read up on office culture, health, money, intern experiences, relocating, graduate school, interviewing, resumes, and much more. We've got a number of city profiles, and we'll be adding many more before the year's out. Got a city you think we should explore? Let us know!

### get a job...

with help from our Job and Internship Center. Search for entry-level jobs or internships, create an "experience profile," then post your resume so it can be viewed by thousands of employers who will contact you when you're the perfect match for a position.

Find all this and more by logging on to [www.experience.com](http://www.experience.com).

## subscribe now!

Never want to miss an issue of *experience* magazine? Sign up for your very own, completely free, you'll-never-be-billed subscription at [www.experience.com](http://www.experience.com). We'll deliver the magazine right to your door four times a year!

## live rent free?

Yep. It's possible...but only if you log on to [www.viva.com/freerent](http://www.viva.com/freerent) to find out how. And while you're there, learn why you no longer need to search online property listings, hunt through newspaper classifieds, or pound the pavement to find your next apartment.
