

Former Duck to participate in Super Bowl

Oregon will be represented with a former athlete in the NFL championship game this weekend

By Jeff Smith
Oregon Daily Emerald

When you watch Super Bowl XXXV this Sunday, be sure to keep your eye on speedy Baltimore Ravens wide receiver Patrick Johnson (#85).

JOHNSON
Johnson left Oregon in the spring of '98 and

After all, it wasn't that long ago that Johnson was streaking along the sidelines of Autzen Stadium and burning the rubber off the track of Hayward Field.

Johnson joined the Baltimore Ravens as their second-round pick in that year's NFL Draft.

And now, in only his third season, he will participate in the supreme sporting event of the year when his Ravens take on the New York Giants at 3 p.m. Sunday on CBS.

Johnson has quickly become a key starter for the Ravens' offense and is always a deep-play threat. Baltimore head coach Brian Billick

nicknamed him "The Tasmanian Devil" because of his rapid speed. Johnson leads the Ravens with an 18.1-yard receiving average.

While at Oregon, Johnson compiled 3,844 all-purpose yards for his work as a receiver and returner. In track, he was an NCAA All-American sprinter in the 100- and 200-meters.

But it took awhile for Johnson to be fully appreciated as a football player and not just as a track

sprinter who happened to strap on the pads in the fall.

"That's my pet peeve," Johnson said in the fall of 1997. "I'm disappointed that I've always been looked at as a track guy who plays football. But the truth is, I'm on a football scholarship. I'm a football player."

More than three years later, with the Super Bowl looming in two days, it'd be hard to argue with Johnson on that point.

Horoscope by Linda C. Black

TODAY'S BIRTHDAY (Jan. 26) You can win the respect you deserve and the money to go with it. Don't let a setback stop you in February. Come back with the facts in March and demand what you have coming. Sharpen your skills in April. Lie low in May and do homework. A busy break and an intelligent friend help you spot past dangers in June. Pay a few more dues with your own hard work in July. Don't let a partner talk you out of your money in August. Share expenses equally, and you'll get more of what you're after in September. If you have the facts, and you peddle them wisely, you can get a big raise in November. Then, get rowdy with best-friends in December.

To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging.

ARIES (March 21-April 19) — Today is a 7 — The confusion starts to get sorted out, but it's not going as you'd planned. That's OK. Use your imagination; you'll find something in this mess that helps you get where you're going. Faith is an important tool. Believe a miracle can happen.

TAURUS (April 20-May 20) — Today is a 7 — You and your buddies have a reason to party. When you've made it through a raging storm, just standing there and breathing counts as winning. You can afford the time to celebrate your victory.

GEMINI (May 21-June 21) — Today is a 7 — You thought you'd get away with everything, but you might have to play by somebody else's rules. Be sensitive to an older person's wants, needs and authority. Don't ignore the person who's signing either your grade card or paycheck.

CANCER (June 22-July 22) — Today is a 7 — Yesterday you may have wondered if the clouds that surrounded you had a silver lining. A deal you were working on looked like it had gone sour. Today blue sky's in your heart. Your dreams are fulfilled in a way you never expected.

LEO (July 23-Aug. 22) — Today is a 5 — Your negotiations yesterday may have been more successful than you realized. More money's out there, waiting. You just don't have it all in your pocket, yet. Don't give up or get lazy. Your attention is required!

VIRGO (Aug. 23-Sept. 22) — Today is a 6 — The work you've been doing has you just about worn out. Somebody wants to help, so let them. A person with a vision for the future is coming up with some great ideas. Make time to listen and offer your comments, of course.

LIBRA (Sept. 23-Oct. 22) — Today is an 8 — Your planning and reorganizing has finally led you to take action. You may feel kind of inspired, and that's perfect. You don't have to follow your plans exactly. That was only an exercise. Now, you get into the real creativity.

SCORPIO (Oct. 23-Nov. 21) — Today is a 7 — True love emerges from a recent upheaval. Things at your house were hectic for a while. Now, you're back to what's most important — a person who loves you very much. Make sure you let that person know how much you care, too.

SAGITTARIUS (Nov. 22-Dec. 21) — Today is a 6 — You've had enough mental activity for a while. Tonight why don't you hide out at home and take a long bath? You've done so much thinking lately, you may have blown a fuse. Let your brain have the night off.

CAPRICORN (Dec. 22-Jan. 19) — Today is a 6 — You've worried long enough. A loved one knows some great ways to help you relax. Let yourself be fussed over. If that's not going to happen, hire someone to do it. A professional massage is worth the money. Do something nice for yourself.

AQUARIUS (Jan. 20-Feb. 18) — Today is a 6 — You may have figured everything out, but did you overlook the spiritual side of the equation? A hunch, or something that comes to you in a dream, brings it all together.

PISCES (Feb. 19-March 20) — Today is a 7 — You're emerging into a new understanding of yourself. You may have recently discovered some things you didn't know you knew. The confusion is clearing, and guess what? After that long, twisting free fall, you're landing buttered-side-up.
