

Oregon hoping for repeat against Arizona

■ The Oregon tennis teams hit the road after breaking in the Student Tennis Center

By Robbie McCallum
Oregon Daily Emerald

After spending a month under one roof at the new Student Tennis Center, the Oregon tennis teams hit the road this weekend.

The No. 53 women head south for Pacific-10 Conference matches with No. 10 Arizona State and No. 24 Arizona. The match kicks off a two-month road trip for the Ducks, who

will not return home until March 30.

The Ducks (3-2) have won three straight matches, but are winless in the Pac-10.

Arizona hosts Oregon today in Tucson, Ariz. The Wildcats (1-2, 0-2 Pac-10) are led by senior Michelle Gough, who is ranked No. 3 among Region VIII singles players. Freshman Debbie Larocque is ranked No. 19 for the Wildcats.

Last season, Oregon recorded one of the biggest wins in school history with a 5-4 upset over then-No. 21

Arizona. The win marked the first time a Northwest school had beaten a Pac-10 school from the south.

Then, on Saturday, the Ducks travel 100 miles north to Tempe, Ariz., for a match with Arizona State (2-1). The Sun Devils are led by No. 47 sophomore Megan Yeats and No. 97 Faye De Vera.

Countering for the Ducks is a rich blend of underclassmen. Sophomores Monika Geiczys and Jeanette Mattsson have traded off at the No. 1 singles position this year for a combined 12-13 record. A strong junior class includes veterans Janice Ny-

land, Adeline Arnaud and Valerie Young. Added to the mix is junior transfer Vickie Gunnarsson.

New additions Courtney Nagle and Davina Mendiburu add spice to the mix, especially in doubles play.

The Oregon men are also in action this weekend. The No. 66 Ducks are licking their wounds after losses to Boise State and Northwestern last weekend.

Oded Teig and the rest of the Ducks are looking to end their four-match skid in Lewiston, Idaho, for a 2:30 p.m. non-conference match with Idaho.

"Idaho is a tough team," men's coach Chris Russell said. "We're always wary of the upset. We'll be looking to improve our shot selection and level of competition."

The unranked Vandals are led by juniors Eddie Brisboise and Stephen De Silva. Last season, Oregon defeated Idaho 6-1 in Boise.

Teig leads the Ducks with a 12-8 singles record, although fellow sophomore Jason Menke has the best record on the team over the last five matches.

Sports Brief

UO track teams continue competition

The Oregon men's and women's track and field teams will be in action once again this weekend as the preseason kicks into high gear.

The men will travel to Iowa to

compete in the Iowa State Classic Indoor. The women will compete in their first team event of the year, the McDonald's Invitational at the University of Idaho.

On the women's side, Maureen Morrison will try to repeat her school-record performance in the weight throw last week at the Wolf Pack Invitational in Nevada. Holly

Speight will compete in the pole vault, the event she took third place in last weekend. Mary Etter, Jenny Brogdon and Ann Sullivan will compete in the shot put, high jump and 55-meter hurdles, respectively.

Jason Hartmann, Adam Kriz and Terry Ellis lead a team of 15 Duck men into action in Ames, Iowa. Oregon will take on a field of 13

other top-ranked teams in the meet.

The Ducks have already had success this preseason, posting 29 qualifying times for the Mountain Pacific Championships. The men lead the way, qualifying 18 times, while the women have accomplished the feat 11 times.

The Duck teams will both compete today and Saturday.

Softball plays in second tournament

The Oregon softball team will be in Tempe, Ariz., this weekend to compete in the Arizona State Tournament.

The Ducks (4-2) look to build off their successful season-opening weekend tournament in San Marcos, Texas on Feb. 2-3.

Horoscope by Linda C. Black

TODAY'S BIRTHDAY (Feb. 9). Plans you
formulate this year may not be realized until
next year. That's OK, it's worth the effort to
stick with it. You'll have at least one brilliant
idea in February. This might require you go
back to school by spring. Follow your common
sense, not a competitor's advice in May. Make
time for rest and relaxation in June. The dream
is clearer by July, even if the money's not here
yet. That comes by September, but shop for the
best rate. The extra work does not bring extra
pay in November; ask for fringe benefits in-
stead. Keep track of your spending or you'll go
over budget in December.

To get the advantage, check the day's rating: 10
is the easiest day, 0 the most challenging.

ARIES (March 21-April 19) — Today is a 5
— It all seemed to come together recently, but
it really hasn't. There are a few bugs to be
worked out. Postpone your weekend adventure
until after you've found them and fixed them.

TAURUS (April 20-May 20) — Today is a 5
— Others are still confused, but you've got the
mess figured out. You may not have it all
cleaned up yet, but that's OK. That may not be
your job, anyway — don't take it on if it's not.
Be the manager instead of the laborer.

GEMINI (May 21-June 21) — Today is a 5 —
Don't get upset about information you've heard,
especially if it comes from far away. The odds
are good it's incomplete or wrong. Wait for
confirmation, so you won't have to do the job
over.

CANCER (June 22-July 22) — Today is a 5
— Others may have disregarded your opinion
over the past few days. If so, you're about to
show them up. It looks like you were on the
right track all along, but be gracious about it.

LEO (July 23-Aug. 22) — Today is a 6 — Ro-
mantic plans may be delayed, but don't com-
plain. It's actually going to work out better in
the end. If you can push travel plans to Satur-
day night or Sunday, you'll save yourself a lot
of trouble.

VIRGO (Aug. 23-Sept. 22) — Today is a 6 —
You're more tuned in to details than everyone
else, so they're missing something that's very
important to you. They may think you're crazy,
but you know you're right. If they have any
sense at all, they'll do what you say.

LIBRA (Sept. 23-Oct. 22) — Today is a 6 —
You're full of good ideas concerning romance,
but some are not very practical. That doesn't
mean you have to give them up completely, just
adjust them. If you don't know yet what adjust-
ment to make, by the end of the day you proba-
bly will.

SCORPIO (Oct. 23-Nov. 21) — Today is a 5
— Watch out for a risky deal, even if it's pro-
posed by a good friend; friendship is one thing
and business is another. Clean up a mess at
home. Once your personal space is clear,
everything will be easier.

SAGITTARIUS (Nov. 22-Dec. 21) — Today
is a 6 — Don't come out with a startling revela-
tion. You may not have all the facts and one of
your resources may be wrong. The more you
study, the more you'll learn, so get back to the
books as soon as you can.

CAPRICORN (Dec. 22-Jan. 19) — Today is a
6 — Contact with a distant friend should go
well, even if you can't get together yet. Be pa-
tient. Spending money in haste will make the
whole project take longer. Try a new idea late
tonight or early tomorrow.

AQUARIUS (Jan. 20-Feb. 18) — Today is a 5
— A friend's get-rich-quick scheme is not a
good investment. Badgering your boss for a
raise right now is not a good idea, either. There
is a job that needs to be done, but it doesn't pay
very well. If it's for a good cause, focus your at-
tention there.

PISCES (Feb. 19-March 20) — Today is a 5
— There's a lot to get done before you can take
off on your adventure. Don't forget anything.
Make sure all your checklists are complete.
