

# UO rugby likes its chances against Wildcats

**The Oregon rugby teams say they can beat Central Washington this weekend**

After delivering a beating to Southern Oregon last weekend, 80-0, the Oregon women's rugby team goes against Central Washington with confidence on its side.

The women started off strong at 1-0 in the winter season. With a young roster resulting from the loss of six seniors from last year, the Ducks had some challenges early, although they showed improvement and finished the fall

season at 1-2.

"We started out rocky but have cleaned it up and pulled it together," senior Shelby Frail said. "I feel very confident in our team now."

"The team is looking really good this year," coach Greg Farrell said. "Talent-wise, they are exceptional."

Central Washington finished last year third in the rankings, and Oregon came in just ahead in second place, so the Ducks believe they are evenly matched with the Wildcats. In last year's meeting between the two teams, the Ducks were victorious.

The women have practiced hard

this week in preparation for the game, including partial contact practices with the men's Eugene Rugby Club. The two teams will face off on Southbank Field at 11:30 a.m. Saturday.

**“The team is looking really good this year. Talent-wise, they are exceptional.”**

**Greg Farrell**  
rugby coach

"If everyone steps up like last weekend, it should be a good

game," Farrell said. "We look to do really well."

## Men's rugby

The Oregon men's rugby team is a bubble team for the NCAA tournament. If it wins this weekend, it still has a shot at nationals, but if it loses, it will have to wait on UC-Davis until next year.

But because of losses sustained earlier in the season, the Ducks will need to put Central Washington away by at least 19 points when the two teams clash at 1 p.m. Saturday at Southbank Field in Eugene. Oregon head coach Bob Snyder doesn't see covering the 19-point spread as much of a

problem.

"We will have no trouble covering the 19 points," Snyder said. "We can put these guys away by 50 or 60."

The Ducks are currently 2-2 and are coming off a strong 47-6 win against Washington last weekend, which leaves them feeling confident about a win.

If they can overcome Central Washington and find a way to defeat Oregon State the following weekend, they will advance to the 32-team national tournament at UC-Davis.

"We are just taking it one game at a time right now," Snyder said.

## Horoscope by Linda C. Black

**TODAY'S BIRTHDAY** (Feb. 23). You're much stronger this year, and more sensitive, too. Rise above past problems in March. Jump a hurdle to attain the prize in April. Give a neighbor's expert advice in May. Give thanks for the abundance in June. You're attracted to your soul mate and vice versa in July. Do the work in August and let the partnership develop in September. Take on the thing you fear most in December. It looks scary, but you have magical powers. Old wounds are healed next February.

To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging.

**ARIES** (March 21-April 19) — Today is an 6 — Is your conscience bugging you to clean up a mess, even though nobody else knows where it is, or how it happened? If it's still bothering you, it's still bothering somebody else, too. Come clean and you'll feel much better.

**TAURUS** (April 20-May 20) — Today is a 6 — You want to help friends who are doing good work, but don't dip into your savings. Offer your expertise instead. They need that more than they need the money, anyway.

**GEMINI** (May 21-June 21) — Today is a 6 — There's an opportunity for advancement, but you might have to make big changes. Don't say yes or no until you think carefully. If you'll be giving up a bad habit, say yes. If you have to take one on, say no.

**CANCER** (June 22-July 22) — Today is a 7 — Travel is very appealing, and you might even get out of town. But there is a chore that must be done, so don't forget it. Do it before you leave, instead of while you're on the road. Make sure the car's had an oil change and a tune-up, for example.

**LEO** (July 23-Aug. 22) — Today is a 6 — Have you checked lately to make sure you have all the insurance you need? That's a tedious chore, but this is as good a day to do it. You're almost interested in your future security now. Don't bet on getting by on good looks alone.

**VIRGO** (Aug. 23-Sept. 22) — Today is a 5 — A loved one has what they think is a great idea, so get involved. This person may do something of which you don't approve, such as knock out a wall or something. Make sure it's the wall you want knocked out.

**LIBRA** (Sept. 23-Oct. 22) — Today is a 5 — Your assignment is to take care of somebody else. The first thing you try might not work. Don't focus your attention on yourself. If you can focus on the other person, it may be enough. Be a good listener.

**SCORPIO** (Oct. 23-Nov. 21) — Today is a 7 — Your sweetheart or a child wants to spend too much of your money. Don't let them talk you out of your checkbook or credit card. Instead, think of a way to cut costs. If you don't, you'll be paying for this way too long.

**SAGITTARIUS** (Nov. 22-Dec. 21) — Today is a 6 — There's something going on at your house that's not the way you want it. You can have a fit, but that probably won't help. Control your temper and don't break anything. The other person may be right this time.

**CAPRICORN** (Dec. 22-Jan. 19) — Today is a 6 — Study, practice and learn, but don't trust your new skills yet. Make a few prototypes before you start using the expensive materials. It's OK if the first try has to be thrown out.

**AQUARIUS** (Jan. 20-Feb. 18) — Today is a 6 — An outing with friends will be wonderful, and you may be excited about it. But keep your wits about you and your wallet in your pocket. Don't buy a round of drinks for everybody in the house; it could be more expensive than you expected.

**PISCES** (Feb. 19-March 20) — Today is a 6 — You're strong, and you'll have to lay down the law. One of your parents or your boss could have a hissy fit, but that's OK. You've made your point before, no need to argue about it. Let them figure you out for a change.
