

productive programs on campus in the future.

My direct involvement with organizations on campus gives me the perspective necessary to allocate funds to over 100 groups at the U of O. This year by serving as the Internal Director of Movimiento Estudiantil Chicano de Atzlan (MEChA), I witnessed the amount of trouble and sacrifices that programs face due to lack of funding. These programs are crucial to a well balanced college education, because they bring cultural and identity awareness, as well as provide support here at our second home. As PFC/Senate I will establish better communication between Programs and the organizations that it exists to serve. We can prevent misallocated funds and inefficient spending by fostering better relationship with PFC and the rest of the organizations on campus.

Senate Seat 4 — 1 yr term

Justin F. Zuiker

The Student Senate distributes millions of dollars of your student fees to a variety of student services and organizations that you enjoy every day. This includes our student union building, the EMU. I want to run for Student Senate in order to help preserve students' rights in this building and the activities that occur within it. I am a fair, honest and caring person. I hope to have the opportunity to represent you, the U of O student, at the Student Senate and on the EMU Board. I have been involved in a number of student groups, ranging from Speech and Debate to the Interfraternity Council to the Freshmen Interest Group program. From these experiences, I realize that different student organizations have different needs, and the Student Senate is a body that can help meet these needs. I want to work hard with the student body to fight for students' interests at the University of Oregon.

Vote for Justin Zuiker for EMU Board Finance Senator #4.

Senate Seat 5 — 1 yr term

Andrew R. Elliot

The value of a college educa-

tion is immeasurable. The cost, however, is clear. Next year, the students of the University of Oregon will be asked to pay even more money to attend school. Much of this money will come in the form of the Incidental Fee. While this increase in cost is in many ways a predictable fact of life, we as students deserve accountability concerning the money we spend.

Historically, the EMU has allocated money to programs and expenses in ways not directly approved by the governing student organizations. As a Senator and an EMU board member, I have worked hard to re-establish student control over the money we spend. If elected, I will continue in my quest to bring accountability to the EMU and to other organizations regarding the use of Incidental Fee funds.

Senate Seat 6 — 2 yr term

Ben Buzbee

As a current member of the EMU Board of Directors, I am very excited to run for EMU Board Senate Seat #6. The EMU is a great resource for students from across campus, and I want to ensure that it remains a center of campus life at the UO. In order to do this, we have to make sure to continue to get student involvement in every part of the process. I was encouraged to see so many students participate in the budget process this year and I want to work to increase students' knowledge about budgeting and the incidental fee process. The Student Senate is responsible for the allocation of our student incidental fees and I feel that it is very important to allocate our fees fairly and responsibly. If elected to the Student Senate, I will make sure that the disbursement of our student funds is done in a fair and reasonable way. I am open-minded, knowledgeable, and hardworking. Vote Ben Buzbee for EMU Board Senate Seat #6.

Senate Seat 7 — 1 yr term

Kate Kranzush

Students currently pay a set fee per year to the University of Oregon called an Incidental Fee. A portion of this fee is allocated to purchase tickets for football and men's basketball at a discounted price, which are then distributed as "free" student tickets. One of the major roles of the Athletic Department Finance Committee (ADFC) is to be the voice of the students concerning this issue,

helping decide how many student tickets should be purchased for what price. I am currently on the ADFC and am working with the other members of the committee, along with the Athletic Department to reach a fair decision in this matter that is beneficial for both the students and the Athletic Department. I would like to be re-elected to the ADFC not only because I enjoy working on senate, but also so that there will be a returning senator on ADFC who cares about the issue at hand with experience in these contract negotiations. I am hard-working and dedicated. Vote for Kate Kranzush for Student Senate Seat #7, Athletic Department Finance Committee. GO DUCKS!!

Senate Seat 9 — 2 yr term

Dave Sanchez

Do it a second time around. Hello again, I am Dave Sanchez, a junior here at the UO. I am running for Senate again because I feel that Senate plays a vital role in our student body. Having been involved in the ASUO for 3 years now, I feel that I know how things work around here and what needs to be done. Having served on Senate before, I already have a feel for how the Senate works. But also through that experience, I have a clear vision for what needs to be done to make Senate a more effective body. In my opinion, Senate itself has never reached its full potential within the ASUO, and more outreach needs to be done with the ASUO programs for Senate to truly embody the student voice. I feel that there are many areas of improvement within Senate, and through my experience and knowledge of the ASUO, I will help lead the Senate to a more clear vision of student voice within the ASUO. Re-elect Dave Sanchez to the Student Senate. VOTE FOR DAVE SANCHEZ, STUDENT SENATE SEAT #9!

Senate Seat 10 — 1 yr term

Sean Henderson

My name is Sean Henderson and I would like to be elected to the Student Senate. Over the last few years, I have become increasingly involved with a large number of student and civic groups, where I have gained a great amount of experience with the inner workings of organizations, and how they are funded. This experience qualifies me for a position on the Student Senate, who's primary responsibility is to plan
