■ Katie Crabb and Jason Boness will represent Oregon at the NCAA Indoor Championships this weekend

By Robbie McCallum  
Oregon Daily Emerald

While sunny skies and spring-like weather have lured most of the Oregon track and field athletes outdoors, two Ducks will compete once more indoors.

Senior Katie Crabb and red-shirt sophomore Jason Boness compete today through Saturday at the NCAA Indoor Track and Field Championships in Fayetteville, Ark.

Crabb, a seven-time NCAA qualifier in cross country and track and field, is seeded eighth in the women's mile in a field of 16 runners. Crabb's personal best mile time of 4 minutes, 42 seconds ranks her fourth on the all-time Oregon record book and is the Ducks' fastest mile time in 13 years.

Last season, Crabb placed seventh in the 1,500 meters at the

NCAA Outdoor Championships, earning her All-American status.

Crabb's preliminary race is scheduled for 6:15 p.m. today (CT), with the final scheduled for 6:05 p.m. Saturday.

Boness owns the eleventh-best mark nationally in the high jump with a season-best 7 feet, 2 and 1/4 inches. Boness, a two-time All-American in outdoor track, won the Mountain Pacific Championships on Feb. 24 to qualify.

Boness competes at 4:15 p.m. Saturday.

Three other Ducks earned NCAA provisional marks this winter but will not compete in Fayetteville.

Sophomore Jason Hartmann was invited to compete in the 5,000 meters after earning a No. 15 seeding, but declined so he could focus on his outdoor debut next weekend at Hayward Field. The All-American ran a 14:05 at the Iowa State Classic on Feb. 9.

Seniors Rian Ingram and Holly Speight each earned provisional marks in the men's shot put and women's pole vault, respectively, but were not invited to the championship meet.

The outdoor track and field season begins March 17 at the Oregon Preview at Hayward Field.

### Horoscope by Linda C. Black

**TODAY'S BIRTHDAY** (March 9). A disappointment this year leads to something better. Give up an old objective in March, and relax into more security in April. Your noblest adversary is right in May, so learn and don't struggle. Achieve a dream at home in June, and come up with a new one in July. The money you send to a partner in September can help you find a treasure in December. Don't disregard your worries in February; use them to spur your imagination.

To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging.

**ARIES** (March 21-April 19) — Today is a 5 — It may look like the job will never get done, but it will. There's a lot of hassling before it's finished, though. This weekend's excellent for fun and games, but stick to business now.

**TAURUS** (April 20-May 20) — Today is an 8 — Be the wise observer — the more ridiculous the others get, the better you look. When they finally ask you to untangle the mess, tell them the obvious solution.

**GEMINI** (May 21-June 21) — Today is a 5 — There's something that's overdue now. It's not something for the boss, but it still takes top priority. Make sure a loved one knows that.

**CANCER** (June 22-July 22) — Today is a 7 — Things may be jammed up at work, but you can find a way around the problem. A friend gives you the clue. Take a new route to get where you want to go.

**LEO** (July 23-Aug. 22) — Today is a 5 — Ask your sweetheart to wait a little longer before taking on a major expense. This also applies to a child who wants something expensive. Provide an extra service to boost your income first.

**VIRGO** (Aug. 23-Sept. 22) — Today is a 6 — You're running into arguments all day long, but

you'll succeed in the end. Somebody from far away provides exactly what you need at exactly the right moment. Contact them in plenty of time, so they can.

**LIBRA** (Sept. 23-Oct. 22) — Today is a 5 — If you're having trouble finishing an assignment, step back and take care of something else you've promised. That will clear your mind. When you go back to the first dilemma, it may have fixed itself.

**SCORPIO** (Oct. 23-Nov. 21) — Today is a 7 — Work closely with a partner to solve a delicate issue. Your mate may come up with a winning idea and a friend will be a big help, too. Don't try to clean up the mess yourself.

**SAGITTARIUS** (Nov. 22-Dec. 21) — Today is a 5 — An older person, possibly one you're arguing with, is more in touch with reality than you are. Don't feel like you have to have the final word.

**CAPRICORN** (Dec. 22-Jan. 19) — Today is a 9 — While everybody else is trying to figure out where to go, you may have already won the race, or whatever's at stake. You can see the big picture, so move on out.

**AQUARIUS** (Jan. 20-Feb. 18) — Today is a 5 — So many worthy causes, so little time and money. You want to save the world, but jobs need doing at home. They'll take all your resources this week. Tell the others they'll have to wait.

**PISCES** (Feb. 19-March 20) — Today is a 5 — Don't try to figure it all out; there is a logical answer, but your partner may find it before you do. It's not a good day to ask for a raise. Pay attention, so you can be in the right place at the right time.
