TODAY'S BIRTHDAY (April 3). You're lucky in love this year, and in just about every-thing else. This could lead to new challenges, though, so don't get lazy. A friend rums into a lover, or vice versa, in April. Even sticking to a budget doesn't slow you down in May. You're lookin' good! You have plenty of what you need nearby in June, and a roommate is your course navigator in July. Permanent commitments are on your mind in August, but don't go into debt to prove your love. Instead, spend your money on trip in December. You can cut costs then by visiting old friends. New friends hold your in-terest in February. Count your blessings in March.

watch out for an older authority figure. In other words, don't let the boss catch you flirting dur-ing working hours.

VIRGO (Aug. 23-Sept. 22) — Today is a 4 — Your job would be a lot easier if everybody would agree. They seem to be after different objectives, but they have one thing in common. They think you can sort it all out and then do everything. Maybe you can. Ask for more time if you need it.

LIBRA (Sept. 23-Oct 22) — Today is an 8 — You'll be most effective, and perhaps close to awesome, working with a group. They've got the energy, and you can keep them headed in the right direction. It'll be easy.

ATTENTION WORK FROM HOME.
