There are easier jobs than the ones at Enterprise. I've done them. But here I see the whole picture, not the inside of a cubicle. I deal with clients, grow my business, hire people I like being around. And when the balance sheet says we're #1 in operating profits...nothing's better.

Enterprise is about challenge, pace, solving problems. I'm fast-tracking in a \$5 billion company with 38,000 people. Yet it's also a tight-knit culture, where energetic people have a lot of fun taking ownership of their careers. And I really enjoy that.
