

What's your next step?

Graduation is just around the corner.

Where do you go from here?

Have you considered Peace Corps?

Peace Corps has some great volunteer opportunities around the world. How about teaching English or basic computer skills? We have plenty of opportunities in those areas, along with many others in forestry, agriculture, education, community development, business and health assignments.

If you're thinking of making the climb, be sure you don't take the plunge.

The corporate ladder is notorious for being slippery, and narrow, not to mention that getting to the top can take a lifetime.

Now, think again.

MONY offers ambitious, success-driven individuals, with or without sales experience in the life insurance and financial services arena:

- specialized training
- marketing support
- extensive benefits

and an income potential that is unlimited!
