12 years old, and I thought I had her this time. But [the ball] just kind of curved back over the plate and she got all of it. It was my fault."

Regardless of who was at fault, the Ducks — losers of six straight — were just happy to be playing well and with some confidence.

"The team has finally pulled together," McMurren said. "I'm really proud of this team. We're finally having fun again."

The Ducks (25-30 overall, 1-11 Pacific-10 Conference) had their opportunities offensively. Missy Coe's first-inning single knocked in Lisa Wangler and Alyssa Laux to put Oregon up 2-0. After Feldt's home run, Wangler scored in the third on an RBI single by Laux to tie the game at 3-3 and drive out Oregon State starting pitcher Monica Hoffman. Crystal Draper was called from the bullpen and struck out Andrea Vidlund to end the Ducks' threat.

Coe single with one out in the sixth and senior Triawn Custer followed with a bloop double off the glove off Adams' glove in left field. With runners on second and third, and still one out, Gamez signaled a safety squeeze to batter Janell Bergstrom, who got the bunt down, but in the process, pinch runner Anissa Meashintubby got caught

Draper (22-8), the Pac-10 Pitcher of the Week, picked up the win after allowing just two hits while striking

out five. Oregon out-hit the Beavers 6-4 and did not commit an error.

"We really only had the one big hit," Oregon State head coach Kirk Walker said. "We didn't have a lot of clutch hitting today. It's tough to rely on those home runs."

The Beavers (36-16-1, 5-5) defeated No. 1 UCLA Friday in their inaugural game at the OSU Softball Complex and split with No. 12 Washington.

The Ducks travel to Arizona to take on No. 8 Arizona State and No. 2 Arizona this weekend.

Horoscope by Linda C. Black

TODAY'S BIRTHDAY (April 25). You're confident this year, and with good reason. You know who you are and what you're after. Use the rules to your advantage in April to gain more than just the prize in May. A strong hunch gets you headed in the right direction in May. A strong woman may give you a friendly shove, too. Don't be shy in September; declare your love. In November, you can easily outwit an adversary. Save ahead for December, because it could get expensive. Provide structure in February, and your boss can be talked into giving you more money. Have sweet dreams in April.

To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging.

ARIES (March 21-April 19) - Today is a 6 - Something you've been worried about will get easier, but keep studying. New skills you learn in the next few days can increase your income. You'll also get a boost from the increased admiration you get from your friends.

TAURUS (April 20-May 20) - Today is a 7 - Contemplate an important purchase carefully but quickly. If you can do the homework and shopping today, you might find the perfect deal tomorrow. Don't just sit there; figure out exactly what you want. The price can be the variable.

GEMINI (May 21-June 21) - Today is a 6 - Continue to keep your head down. Let others argue and defend your position. Continue to do the research, but without asking questions. Don't reveal how much you already know. Meet with your trusted accomplice tonight to plan your next move.

CANCER (June 22-July 22) - Today is an 8 - You and your buddies can accomplish great things. You inspire each other. That's why a minor setback will be so easy to ignore. It's just a little bump in the road. Don't hit it too fast, though.

LEO (July 23-Aug. 22) - Today is a 6 - Your friends come through for you again, when you really need them. They provide comic relief. You've had just about enough of being serious.

You're only able to hold that pose for about 24 hours, and it's been at least that long. Escape into frivolity!

VIRGO (Aug. 23-Sept. 22) - Today is a 7 - You may have a day of reckoning fast approaching. Do you have pictures to prove what you were doing? Graphs, charts, a fully computerized presentation? That's the ticket! E-mail it to them! Make sure the job gets done, and they may not care how.

LIBRA (Sept. 23-Oct. 22) - Today is a 6 - The tough part is just about over. You'll soon be leaving your dull routine for fascinating new horizons - maybe as early as tonight. But don't forget one very important thing you must do first. It has to do with money.

SCORPIO (Oct. 23-Nov. 21) - Today is a 5 - You're a good strategist. It's one of your natural skills. You're also good at math, especially the kind that involves dollar signs. Dig in. There's a new kind of work to be done.

SAGITTARIUS (Nov. 22-Dec. 21) - Today is a 6 - You may feel too weak to continue the way you have. This is good, because there's no need to do so. You can still keep your promise, but you don't have to do everything yourself. Think about it.

CAPRICORN (Dec. 22-Jan. 19) - Today is a 7 - A call to somebody you care about could be the most valuable part of your day. Strange, because you may also get the chance to close an important deal. Do that too, of course. Just know which is most valuable.

AQUARIUS (Jan. 20-Feb. 18) - Today is a 6 - You may think that one of your favorite dreams will have to be abandoned, but you're in for a pleasant surprise. A seemingly impenetrable barrier may dissolve. You may think you had nothing to do with that, but you did.

PISCES (Feb. 19-March 20) - Today is a 7 - Once you get everything figured out, you'll know exactly what to do, and you won't make any mistakes. But you don't have that much time. You have to act before you have it all figured out. That's where faith comes in, going.
