Horoscope by Linda C. Black

TODAY'S BIRTHDAY (May 17). Don't give away more than you have this year, even for a good reason. Empower others to succeed on their own, and there will be plenty for all. In May, provide practical advice to someone who needs it, whether or not you're asked. Hold onto your spare change in June. Teach a valuable lesson in July. You'll want to spend more than usual in December. You can if you save up all year. A regular source comes through in February to replenish your coffers. Make a contribution, for good luck, in April.
 To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging.
ARIES (March 21-April 19) — Today is a 5 — It's hard to win for losing, but you can. Try not to go back more paces than you go forward. Your best bet is to stay out of traffic and emotional conversations. There may be some of both you can't avoid. Be patient.
TAURUS (April 20-May 20) — Today is a 7 — A friend of yours has taken on a challenging task, and it isn't going well. Talking about it won't help, but listening might. Make a date for a private place, and allow plenty of time. Then, ask a few leading questions. Take along a box of tissues.
GEMINI (May 21-June 21) — Today is a 6 — If at first you don't succeed, wait until tomorrow. You might want to call in the cavalry. You may figure out what needs to be done, but don't feel bad if you can't do it. Maybe it's too big a job. Get help.
CANCER (June 22-July 22) — Today is a 7 — Don't push. Gather more information first. Recent developments may change your objectives, or how to best achieve them. A long conversation with a distant friend you haven't heard from in a while is a much better way to spend your time.
LEO (July 23-Aug. 22) — Today is a 5 — Schedule your date for tomorrow instead. You might not feel like seeing anybody tonight. An extra few hours of sleep would serve you better. A hot bath wouldn't hurt. Have a bowl of chicken soup before that. Take care of yourself.

VIRGO (Aug. 23-Sept. 22) — Today is a 6 — It may seem like somebody doesn't understand you, and you could be right. That doesn't mean one of you is wrong. Maybe it's a language thing. Get somebody who knows both of you well to act as an interpreter.
LIBRA (Sept. 23-Oct. 22) — Today is a 6 — A new idea that had such great promise doesn't seem to be working. You may be stuck in the gap between fantasy and reality. If your objective still turns you on, keep it intact. Be willing to throw out your original premise and your methods.
SCORPIO (Oct. 23-Nov. 21) — Today is a 7 — Your sweetheart or a child may want something badly, and you'd love to provide it. Relax. You haven't found the right item yet. Keep shopping. You'll know it when you see it, because you'll be able to afford it.
SAGITTARIUS (Nov. 22-Dec. 21) — Today is a 6 — Your mate is going to disagree with anything you say. Don't take it personally. It's due to celestial conditions in effect. You're apt to make outrageous proposals, too. You're having fun pushing the limits. If you wait until tomorrow to do that, folks will be much more receptive.
CAPRICORN (Dec. 22-Jan. 19) — Today is an 8 — A puzzle you're pondering still doesn't make sense, so put it on hold for a while. Relax and enjoy time with loved ones. A funny movie at home, with popcorn, would be perfect. When you get back to work tomorrow, the problem may have solved itself.
AQUARIUS (Jan. 20-Feb. 18) — Today is a 5 — Don't invest in a friend's great idea just yet. Let your friend find a way to cut costs. Don't donate to a charitable cause without doing some investigation. Find out how much of your check is going to pay the telemarketer.
PISCES (Feb. 19-March 20) — Today is a 7 — You've done your homework, and that gives you an edge. Keep going back to the manual, too. Others think they know everything, but that may not be the case. Don't let them talk you out of what you're sure is right.
