Horoscope by Linda C. Black

TODAY'S BIRTHDAY (May 18). A dream you've long held can come true. Bring it out of that secret place and start working on it. Draw the picture in May. Gather the money in June, or at least figure out where you can get it. Slide around an obstacle in July. Full speed ahead in September. December is expensive, so be prepared. Believe in yourself in January, and study to succeed brilliantly in February. In April, assimilate what you've learned and accomplished.

To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging.

ARIES (March 21-April 19)—Today is a 7—Your enthusiasm and charisma are increasing, and the odds are in your favor. Something that you thought was a dead-end day is starting to look easy—perhaps even fun. Is the project changing, or is it your attitude? Some of both.

TAURUS (April 20-May 20)—Today is a 5—It's more enjoyable to look for bargains when you don't feel pressed for time. That's why you like to plan so far ahead. It's a great idea, but recent developments are pushing you to think and act quickly. Do something that worked before.

GEMINI (May 21-June 21)—Today is a 7—You're becoming more confident and even more popular. A party coming up this weekend will be a lot of fun. Don't get so involved with your social life that you overlook a tedious job at work. This is something you don't like to do, so forgetting it would be easy. Do it now.

CANCER (June 22-July 22)—Today is a 5—If you know somebody with a quick temper, give that person whatever they want. He or she will be in a good mood, so keep things moving in that direction. That'll make you look warm, sensitive and very smart, which could pay off later.

LEO (July 23-Aug. 22)—Today is a 7—You're so cute, you can get away with almost anything—with your sweetheart, at least. That's not quite how the boss sees you, though. Don't let him or her catch you flirting, laughing, joking or otherwise having fun. Unless

you're flirting with him or her, of course.

VIRGO (Aug. 23-Sept. 22)—Today is a 5—If you're shopping for an expensive item, be careful. It could cost much more than the ticket price. If it's on easy-credit terms, you could end up paying two or three times as much. Don't fall for a salesperson's smile.

LIBRA (Sept. 23-Oct 22)—Today is a 7—Your partner wants to make the decisions, so why argue? Do what you do best. Present all the options that come to mind. You do the research or the shopping. Let him or her make the choice and write the check.

SCORPIO (Oct. 23-Nov. 21)—Today is a 6—The mood should be good over the next few days. Working conditions aren't ideal. Somebody might be ordering you around, and you find that attitude irritating. Don't complain. You can smile all the way to the bank.

SAGITTARIUS (Nov. 22-Dec. 21)—Today is an 8—Your passions will be easily aroused. That could become a problem if it happens at an inconvenient time. It's hard to keep your mind at work, and that goes for the rest of you, too. Maybe you could pay a colleague to cover for you.

CAPRICORN (Dec. 22-Jan. 19)—Today is a 6—You may not feel quite up to speed. Activities at home are upsetting. But it will be wonderful to get this project over with. Keep at it even when you feel like quitting. One step at a time.

AQUARIUS (Jan. 20-Feb. 18)—Today is a 7—Friends can help you see outside the box, and they can teach you how to do the impossible. We're all limited by what we've done before—even someone as imaginative as you. But not forever.

PISCES (Feb. 19-March 20)—Today is a 6—Learning a new assignment may not be as tough as you thought. It could be worth the effort if it means a fatter paycheck. Having folks over to your house this weekend looks like a good plan.
