against the University" if the NCAA were to investigate the violations.

Moos signed the document Tuesday, eight days after Runge and Roberts gave their approval. The agreement "is a means of buying peace between the parties and is [not] an admission of liability by the University," the document stated.

Williams said that the payment will not come from public funds,

but rather from ticket sales, donations and other sources of revenue.

"Less than 10 percent of the Athletic Department revenue is public money," Williams said at the April 30 press conference announcing Runge's resignation, "so the payments will come out of the 90 percent that comes from gift and gate receipts and other sources of income besides the state."

Alumni reaction to the settlement has essentially been a non-issue, said Dan Rodriguez, executive director of the Alumni Association.

"It's a sad situation and there are no winners," Rodriguez said. "But

the perspective of most alumni is that it was the fairest way to go.

People understand how they solved it had to be done. If not, there could have been lawsuits

and then the money would go everywhere except to Jody.

"If this were Mike Bellotti, there would have been a lot different reaction. Both coaches are very successful ... but there's more to it than the [wins]."

The law firm's report — which included interviews of more than 80 players, former players, coaches and administrators — has yet to be made available to the public.

"No resolution has been made yet on what part of the report will be made public," University spokeswoman Pauline Austin said Thursday.

Runge resigned five days after the report was handed in to Moos. She said the contents of the report had nothing to do with her decision.

After being hired in the spring of 1993, Runge led the Ducks to eight consecutive NCAA Tournament appearances and two Pacific-10 Conference titles. But her friction with Athletic Department officials was well known; at least twice she threatened to sue the University for gender discrimination.

Moos said he hopes to hire Runge's successor by June 1. Five candidates have been interviewed for the position.

## Horoscope by Linda C. Black

**TODAY'S BIRTHDAY** (May 25). If you're so smart, why aren't you rich? This year you get to be both. This doesn't happen by accident. First make a plan, then work it. Start by learning how to keep more of what you make. Stop letting it slip through your fingers. Take a class. To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging.

**ARIES** (March 21-April 19) — Today is a 7 — Home is the best place for you tonight. All day, too, if you can manage it. Catch up on your reading. You'll discover lots of useful information. Get those thank-you letters written, too. They'll make a big difference.

**TAURUS** (April 20-May 20) — Today is a 6 — You know that the best things in life are free, and now you can prove it again. A poduck with favorite family members and close friends won't set you back much. Breaking bread with your loved ones will do all of you a world of good.

**GEMINI** (May 21-June 21) — Today is an 8 — A check from far away eases financial worries. It might make a jaunt this weekend possible. Split costs with a friend, and enjoy the travel time together. That'll give you the chance to impart more of your wisdom.

**CANCER** (June 22-July 22) — Today is a 6 — You're beginning to emerge from the confusion of the past few days. You should notice that most of the stuff you've been worried about isn't worth it. You've spent enough on it. Let it go.

**LEO** (July 23-Aug. 22) — Today is a 7 — You're probably pretty tired by now. You've been racing around all week, managing to have everything go perfectly. By now, it either did or didn't, so don't worry about it. Count your winnings, deduct your expenses, and get some rest.

**VIRGO** (Aug. 23-Sept. 22) — Today is a 6 — A gathering with good friends is welcome.

Find a place where you can speak freely. You've done a great job over the past week. Congratulate each other, and start thinking about what's next. Bigger and better, or just something fun?

**LIBRA** (Sept. 23-Oct 22) — Today is an 8 — You've been doing exceptionally well lately. That's what it felt like, anyway. Can you prove it? Did you make the sales, produce results, bring in the big bucks? There will be an exam. Be prepared to show the bottom line.

**SCORPIO** (Oct. 23-Nov. 21) — Today is a 5 — You've done some serious wheeling and dealing lately, and you've probably done pretty well. How about rewarding yourself with a trip out of town? A destination near water, lots of water, would be most rejuvenating.

**SAGITTARIUS** (Nov. 22-Dec. 21) — Today is a 6 — Time to get practical again. Count up your pennies, pay your bills, and see if there's anything left. If there is, stash it in savings. That should be a little easier today than usual.

**CAPRICORN** (Dec. 22-Jan. 19) — Today is a 5 — Finish up the job, and rake in the cash. Count it just to make sure nobody's playing tricks. Then, let your partner take control. Lean back and let somebody else do the driving.

**AQUARIUS** (Jan. 20-Feb. 18) — Today is an 8 — You and your sweetheart have probably come up with a few good ideas by now. You might be getting restless, eager to get started. This is just as it should be. Working together will make your love stronger.

**PISCES** (Feb. 19-March 20) — Today is a 6 — The confusion of the past few days may have pretty well frizzled your nerves. Tonight, instead of going out, find a place where you can hide out. Invite a kind and loving person to join you.
