HOTOSCOPE by Linda C. Black

TODAY'S BIRTHDAY (May 30). You're in the middle of a tough program. Show you're no lightweight by sticking it out. Details are your bane and your blessing. Memorize the facts, and you'll ace the test. Don't let up. It's not enough to think you're smart this year. You'll get the chance to prove it.

To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging.

ARIES (March 21-April 19) — Today is a 4 — The worst of it isn't quite over. There's still more to be done. Your good idea doesn't work, and there's no getting out of this mess. Start

TAURUS (April 20-May 20) — Today is a 6
— Continue to encourage a loved one who's struggling toward success, Don't do it by throwing money at the problem. That would be silly, especially if one of the lessons you're teaching is how to live on a budget. Just be there.

GEMINI (May 21-June 21) — Today is a 5—You should be slowly, gingerly testing as you proceed. Know that there will be surprises, and not all of them pleasant. You have to face the occasional setback without letting it stop you. By Thursday you'll be in the clear.

CanCER (June 22-July 22) — Today is a 6— You may not be able to stop a development you don't like, but you can slow it down. The others haven't seen the situation from your perspective, but that won't be the case for long. Stop holding back. Let them know.

LEO (July 23-Aug. 22) — Today is a 7 — Shortages continue to plague you. Just because there's not enough in your pocket doesn't mean there's not enough. There's plenty of everything you want out there. Figure out how to get it.

you want out there. Figure out how to get it.

VIRGO (Aug. 23-Sept. 22) — Today is a 6 —
You're not in a position to launch a new enterprise. It's not time for that yet. You might blow
the whistle on a risky scheme or an unrealistic
expectation, though. You may be the only one
who crunches the numbers. Holler.

LIBRA (Sept. 23-Oct 22) — Today is a 7 — Plans are stalled or fouled up completely. You may toss some of them out yourself. They're too much trouble for what you'd get in return. If your conscience is bothering you, clean up whatever messes you've made. That makes a huge difference.

SCORPIO (Oct. 23-Nov. 21) — Today is a 6
— Hold onto your wallet. What initially looks like a worthy cause may be a rat hole instead. You know the kind: You keep pouring money into it but nothing changes. Offer your expertise. They need it.

SAGITTARIUS (Nov. 22-Dec. 21) — Today is a 7 — Caution is advised again. You are being watched. It could be Big Brother or even Big Sister. It probably isn't Big Mama. She's on your side, just waiting for you to call. Dress neatly, look sharp, do your job and call your mom.

CAPRICORN (Dec. 22-Jan. 19) — Today is a 5 — You've learned most of your lessons through experience. That doesn't mean you have to learn them all that way. Some lessons can be learned by reading books, or by asking people who know — now.

AQUARIUS (Jan. 20-Feb. 18) — Today is a 6 Continue to ask the tough questions. You may get to answer a few, too. This is all part of an important information-gathering phase that you're in. Finish this up so that you can play to-

PISCES (Feb. 19-March 20) — Today is a 5
— You're probably interested in what's going on around you. Changes you've planned, aid some you didn't, are under way. Suy on your toes so that you end up where you want to be.
