Horoscope by Linda C. Black

TODAY'S BIRTHDAY (May 31). Self-doubt fades as your luck improves. Old rules make sense when proven through your own experience. Just when you're about to give up, you find the last piece of the puzzle. All agree that you're the winner, much to your surprise. Congratulations.

To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging.

ARIES (March 21-April 19) — Today is a 6 — Just when you were about to go under for the last time, somebody throws you a line. Wrap it around you and tie it securely so that they can haul you in. Guess what? You can't do everything all by yourself. Give it up!

TAURUS (April 20-May 20) — Today is a 5 — You've been looking for a new idea, and the odds are good you'll find it. This is not winning the lottery, but it could be your path to riches. It's a way to make money using your natural talents. It's fun, but it's a lot of work.

GEMINI (May 21-June 21) — Today is an 8 — You're starting to increase your speed. You'll soon be racing toward your goal again. Schedule time for romance tonight. You have a lot to talk about. Since you've almost reached this objective, you'll have to choose a new one.

CANCER (June 22-July 22) — Today is a 5 — Plan to take it easy tonight. You can have a dear friend over, somebody with whom you can talk freely. If nobody pops to mind, an evening with an inspirational book might be relaxing. Pamper yourself.

LEO (July 23-Aug. 22) — Today is an 8 — You've had just about enough frustration to last for a while. Have you figured out the way to reach your goal? It's education, pure and simple. Take classes or teach them, but get back to school. You'll flourish in an academic setting.

VIRGO (Aug. 23-Sept. 22) — Today is a 5 —

You've made your point. Now, stand up for yourself and demand what you're worth. If you've saved the company a lot of money, a raise is justified. Have the facts and figures at your fingertips, of course.

LIBRA (Sept. 23-Oct. 23) — Today is a 9 — You're back in charge and rarin' to go. Travel, new enterprises, even educational programs launched today should do amazingly well. Don't have anything planned? Look around. Your luck is awesome.

SCORPIO (Oct. 23-Nov. 21) — Today is a 4 — It's possible for you to find the perfect thing for your home. Trouble is, you feel pressured. Maybe the old one broke, or you lost it, so circumstances aren't the greatest. Don't worry about that. Just get it and get on with your life.

SAGITTARIUS (Nov. 22-Dec. 21) — Today is an 8 — You're just about finished with the exams. A highly critical person is getting interested in grilling somebody else. Your social life is on the upswing, so head out as soon as possible. You need to work off some steam.

CAPRICORN (Dec. 22-Jan. 19) — Today is a 5 — It might be time to negotiate a new deal. If you can prove your case, your reward will be more work and more pay. This requires you do the homework, but that's why you'll get the big bucks.

AQUARIUS (Jan. 20-Feb. 18) — Today is a 9 — Work is over for this week, or it might as well be. You're ready to hit the road, and so is your sweetie. Can you take the day off? How about tomorrow? Promise to be in over the weekend, and maybe you can get away with it.

PISCES (Feb. 19-March 20) — Today is a 5 — Something you want for your home is available. Trouble is, you'll have to break the piggy bank to get it. Is it worth the cost? That depends on what you've been saving for.
