

BON@WORK

THE DIPLOMA'S IN THE MAIL. NOW THE REAL WORK BEGINS.

Why is it that one rite of passage leads abruptly into another? Just as soon as the mortarboard's been tossed, you're faced with figuring out what to wear to work. Because looking good under pressure isn't taught in school, we offer a crash course. Earn a masters in wardrobe know-how with fashion that actually looks like you—at prices that don't cramp your style. And as you enter this next phase, take comfort in knowing we'll be here for you along the way.

Congratulations to the class of 2001.
