putting it all together for one game. This definitely feels better than losing. This gives us something to build on."

While DiBetta, Sain and others

had big offensive nights Monday, all eyes at Civic Stadium were trained on Gautreau. The third baseman was playing his first games as an Emerald after the San Diego Padres — the Ems' parent major league club — took Gautreau in the first round of the 2001 amateur draft. Gautreau, who recently

finished his senior season at Tulane, went 4-12 over his first three games in Eugene.

The Emeralds play the fourth game of the homestand tonight at 7:05 p.m. and conclude with the July Fourth fireworks spectacular Wednesday at 6:35 p.m.

Ichiro, Mariners fill All-Star rosters

NEW YORK — The hits keep coming for Ichiro Suzuki — on the field and on the Internet.

Boosted by online support worldwide and paper ballots cast in Japan for the first time, Suzuki became the first rookie to draw the most votes for the All-Star game.

Suzuki was among four Mariners elected by fans Monday to start next week at Safeco Field in Seattle.

"Of course I was surprised. I did not expect or imagine that I would be the starter in the All-Star Game," Suzuki said through an interpreter Monday night.

Later, Suzuki hit a tying, two-run homer with two outs in the ninth inning at Texas. It was his major league-leading 126th hit of the season.

Cal Ripken, who will retire after this season, overtook Seattle's David Bell in the final week to earn his 17th start and 19th appearance. The Baltimore third baseman rallied from a 44,000-vote deficit to pass Bell and Anaheim's Troy Glaus and win by 45,000 votes.

The Japanese-born Suzuki re-

ceived 3,373,035 votes. The 27-year-old right fielder also leads the majors in stolen bases.

"Major-league baseball fans know baseball talent. I try to play better for them. I appreciate that I got so many votes," he said.

"This is my first year in the major leagues and the All-Star Game is in Seattle, so it means a lot to me," he said. "I have been here for only three months, but the people here appreciate my talent."

The seven-time batting champion from the Orix Blue Wave got 1,217,680 online votes — the commissioner's office was still counting how many of them came from Japan, and was not expected to know the total for a couple of days.

Suzuki was picked on 682,815 of the 835,000 paper ballots cast in Japan.

Suzuki was the first rookie to be elected since Sandy Alomar Jr. for Cleveland in 1990. Hideo Nomo was a rookie when he was selected by NL manager Felipe Alou as the starting pitcher for the 1995 All-Star game.

Horoscope by Linda G. Black

TODAY'S BIRTHDAY (July 3). You can become a master of your craft this year. Or, you may decide that your true calling lies somewhere else. The choice is yours, and it soon becomes obvious. If you pass all the tests — and you can — you'll surpass your teacher. You'll leave your old fears in the dust, too.

To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging.

ARIES (March 21-April 19) — Today is an 8 — Adventure, both physical and mental, awaits you. Want to climb the mountain? Do the homework first. Learn to speak the language. Do your exercises. With the help of some very good but sometimes-weird friends, you can find what you're seeking.

TAURUS (April 20-May 20) — Today is a 5 — There's a lot of money being tossed around. You'd better pay attention to what's going on. The household money and company money counts, too. Don't let somebody else's impetuous behavior undermine your security. On the other hand, if they want to overspend, you could sell them something. For a fair price, of course.

GEMINI (May 21-June 21) — Today is a 7 — You're coming up with all sorts of great ideas. Write them down. Don't keep them all to yourself. You're a joy and an inspiration to others. Your cheerleading could get one person, in particular, to accomplish something he or she has never even tried before. You benefit from that success as well.

CANCER (June 22-July 22) — Today is a 6 — Pay close attention on the job. Things move along more quickly than usual. If you can keep up, all goes well. If you hesitate, others may race ahead. The changes that take place should be familiar if you've been playing this game for a while.

LEO (July 23-Aug. 22) — Today is a 7 — Your luck in love would be much better if you didn't have so many other commitments. You and your sweetheart may be lucky to cross paths at all. Are you happy rushing from one appointment to another? Or are you doing it for some greater purpose? Find time to discuss this with your sweetheart.

VIRGO (Aug. 23-Sept. 22) — Today is a 6 —

You want everything to be perfect, but others keep messing things up. Call in a friend who can help. There's too much to do all alone. You need a team, and fast. Luckily, a lot of folks are eager to come to your rescue. Just ask.

LIBRA (Sept. 23-Oct. 22) — Today is an 8 — You're studying as fast as you can in order to keep up with your students. You're getting graded on all this, too. You can find the right words to express exactly what you're trying to say. You're having a marvelous time. Enjoy!

SCORPIO (Oct. 23-Nov. 21) — Today is a 6 — There are still strong indications that money or other valuables are coming your way. This isn't just luck. It might be a debt somebody owes you that is finally paid. It might be a gift or an inheritance. If you get something valuable, put it in a safe place. Otherwise, it may not stay with you very long.

SAGITTARIUS (Nov. 22-Dec. 21) — Today is a 7 — You're very creative and talented. You're also becoming quite wise. Others look to you for advice when they're confused. This time, don't tell them what to do. Let them figure it out for themselves. Otherwise, they'll become cloyingly dependent.

CAPRICORN (Dec. 22-Jan. 19) — Today is a 6 — New developments could cause a change in plans. Gather as much information as you can before taking action. That will minimize the possibility that you'll head in the wrong direction. This advice holds true after work, too.

AQUARIUS (Jan. 20-Feb. 18) — Today is a 7 — You'll have plenty of fun distractions to keep you from doing work you don't like. You're establishing contacts, developing leads and maybe even mending fences. What you're probably not doing is counting, sorting, budgeting or shopping. That's OK. You'll be better at that kind of business tomorrow and the next day.

PISCES (Feb. 19-March 20) — Today is a 7 — An older person wants to be in control, so why fight it? Some people just need more attention. A younger person might pitch another fit, too. Don't let it to you. Sure, you have to clean up the messes, and you often wonder whether some people will ever grow up? They won't.
