Series champion, before joining the San Diego Padres' farm club.

"He's helped a lot," Gardner said of Nettles. "He's what every team needs: a guy that can straight score runs with his legs."

Nettles has made an immediate impact leading off and playing center field. His three stolen bases Sunday moved his season total to 10 swiped bags, enough to be tied for second in the NWL. Nettles has also hit a respectable .292 in the leadoff position.

Bartlett and Sain have done the majority of Eugene's work at the plate, hitting a combined 59 of the Ems' 228 hits. Bartlett leads the NWL in on-base percentage, while Sain leads in slugging percentage. Combined, the two players lead the Ems in every hitting category.

Eugene has gotten good pitching over its recent run of wins. Scott Kelly, although he picked up the loss Sunday, has been the most consistent starter with a 2-1 record and a 4.14 earned-run average. All of the Ems'

starters have ERAs around 4.50.

"Our starters have been pretty good all year," Gardner said. "We've had a lot of close ball games."

Eugene's game with Spokane Sunday ended the teams' streak of 10 straight games facing each other. The Ems went 7-3 to get back into the hunt for a west division title.

"Our starters have been pretty good all year. We've had a lot of close ball games."

The Ems now go on the road for eight straight games against two of the NWL's toughest teams. Eugene will play three games against Everett, which has an identical record to the Ems. Then Eugene will take on Boise in five straight games. Boise leads the NWL's East Division with an 18-8 record.

Horoscope by Linda C. Black

TODAY'S BIRTHDAY (July 17). You've had just about enough of something you've been putting up with. You're now confident enough to make a change, and you're shrewd enough to do it politely. If you've been headed in the wrong direction, change course. You need to follow the path with a heart. Don't settle for less — it's too expensive.
To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging.
ARIES (March 21-April 19) — Today is a 7 — Your curiosity knows no bounds. Keep asking questions, and make sure you're not talking to friends when the answers arrive. Take notes.
TAURUS (April 20-May 20) — Today is a 6 — You have to scurry to keep up, but you can do it. The money is changing hands quickly. Keep your eye on the shell with the ball underneath. If you're the one who gets to move the shells around, so much the better. Don't take anything for granted.
GEMINI (May 21-June 21) — Today is a 7 — You're cute, but you're somewhat constrained. You're likely concerned about whether there's enough money. There's plenty, so don't worry.
CANCER (June 22-July 22) — Today is a 6 — Your worries are surfacing. There are things you don't like, and it's liable to show. You're able to be polite about it. You always strive to do that. Add love and your own gentle brand of humor, and you can say anything.
LEO (July 23-Aug. 22) — Today is a 7 — You should be feeling better but still somewhat constrained. Negotiations require your discretion. Think about the consequences before speaking or taking action. There's a lot going on behind the scenes, and there will be even more going on behind the scenes tomorrow. Plan ahead.
VIRGO (Aug. 23-Sept. 22) — Today is a 7 — Why not ask for this whole week off? If you think today is bad, you ain't seen nothin' yet. You'll have absolutely no interest in working on Wednesday or Thursday. And on Friday, forget it. Go visit your friends. Talk your boss into let-

ting you go. You hardly ever ask for anything.
LIBRA (Sept. 23-Oct. 22) — Today is an 8 — Love is apt to interfere with business again. Be careful not to lose your job! And don't forget to do what you said you would. There'll be a white-glove inspection tomorrow.
SCORPIO (Oct. 23-Nov. 21) — Today is a 6 — Advice you get from far away is very useful now. Call up an older woman who's good at saving money and ask for suggestions. The more you can stash away now, the better. But if there's something you must buy, get only the highest quality. It'll last longer.
SAGITTARIUS (Nov. 22-Dec. 21) — Today is a 6 — There's an intensity about this day that increases its difficulty factor. It's like a fast game of doubles Ping-Pong — concentration and close teamwork are required. Success is certainly possible, but it's not guaranteed. Do the best you can with what you've got.
CAPRICORN (Dec. 22-Jan. 19) — Today is a 7 — Get organized early, and you'll have a very productive day. The faster you can get each order out, the better you'll all feel. Secret information you've gathered helps a lot. You're dipping into your reserves, but this is what you were saving it for.
AQUARIUS (Jan. 20-Feb. 18) — Today is a 7 — Get ideas from everybody so you'll be prepared. Two heads are better than one, and three or four are even better. Get others to take parts of the upcoming job so that you won't have to do it all. You can still be responsible for it all, and you should be, but get others to help.
PISCES (Feb. 19-March 20) — Today is an 8 — If you had this week off, you wouldn't go far. You wouldn't even want to leave the house long enough to go to the store. With that in mind, if you have to go out, stop by the store and pick up a few things. Stock up on the bare necessities, just in case.
