Horoscope by Linda C. Black

TODAY'S BIRTHDAY (July 24). You'll uncover the problems during the first part of the year. Make it your objective, and it'll be more fun. After you think you've uncovered them all, or at least enough to get started, get into the research. Do the reading. Take classes. So what if you haven't a clue how to do it all now? By this time next year, you will.

To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging.

ARIES (March 21-April 19) - Today is a 7 - You thought something would work, but it won't. Make adjustments to your routine, schedule and operating procedures. Schedule a luncheon AND dinner date for tomorrow. You'll be out of the woods by then.

TAURUS (April 20-May 20) - Today is an 8 - After an initial setback, your luck in love improves. Take advantage of any and all opportunities, since tomorrow there'll be other distractions. Even though you can't spend all your time playing, you can fit some into your schedule. Don't wait to be asked. Be bold. Don't waste precious moments.

GEMINI (May 21-June 21) - Today is a 6 - After a few minor mishaps and misunderstandings, you'll have time to clean up the trash left over from yesterday. Don't begin anything new. Wait for tomorrow or Thursday. If you have any time left over today, get yourself a special treat for being such a good sport.

CANCER (June 22-July 22) - Today is a 7 - The job may be going slowly, but that's OK. Check each item twice as you do the work so that you can catch any errors. It's easier to find them now than it will be later. Rest with a luxurious evening at home and a favorite meal.

LEO (July 23-Aug. 22) - Today is a 7 - Overlook a misunderstanding with your sweetheart or a friend. Granted, it's hard to when your feelings are hurt. You're so bouncy and enthusiastic most of the time, people may be surprised to learn you have a marshmallow heart. Tonight will be great for kissing and making up.

VIRGO (Aug. 23-Sept. 22) - Today is a 7 - You've been doing the work, but does the boss know? If you've been one of many, maybe not. It's OK to toot your own horn. Update your resume, and show it to someone who can help you upgrade.

LIBRA (Sept. 23-Oct. 22) - Today is a 7 - You've found almost all the errors by now, but don't let down your guard. Think ahead. If somebody called and needed something immediately, what would it be? Where would it be? Better clean the place up so you can find it, whatever it is.

SCORPIO (Oct. 23-Nov. 21) - Today is a 7 - The boss may be hard to live with, but your friends understand. You can complain to them in private. Keep their secrets, too, and listen to their complaints about the people trying to push them around. Have tea and cookies, and make each other smile. Don't let anyone treat you bad.

SAGITTARIUS (Nov. 22-Dec. 21) - Today is a 6 - Rein in your enthusiasm just a little. A cautious approach is suggested. You want to race full speed ahead, but you're entering uncharted waters. It's a combination of knowing when to move quickly and knowing when to stop. A good partner helps, too.

CAPRICORN (Dec. 22-Jan. 19) - Today is a 7 - A new method you're eager to try may cause disruptions at first. Get the approval of your boss and the support of your coworkers. When you have it, the time spent switching over will be minimal, and you'll all profit.

AQUARIUS (Jan. 20-Feb. 18) - Today is a 7 - Don't promise your sweetheart or the kids any special treats for a while. You'll be appalled at how much that stuff costs. If you can get them to wait a few days, they're less likely to drive you into debt. Make a game out of pinching pennies.

PISCES (Feb. 19-March 20) - Today is an 8 - There a lot of work to be done, but you're making it look easy. Is it because you know what you're doing, or because you don't care? You know the end result is more important than how you get there. Keep the goal in mind, and the path becomes clear.
