PROMO PHOTO OF THE WEEK

The Emerald entertainment desk gets an avalanche of promotional photos for bands, movies and various "acts" during any given week. This special column takes a moment to present the most bizarre image received.

What's going on at Face The Music? This week the staff began moving the store a few doors closer to campus into a building between Taylor's and Shutterbug. But why? Is there a major plot under way?

Actually, a worker kindly explained that with the old store closed and the new store yet to open, everyone at Face the Music is working around the clock so the store can sell music again. He said he'd be happy to explain it all once the dust clears.

Makes sense, although it's obviously not as exciting as Face the Music launching a plot for world domination.
