Garbin netted her second and third game-winning goals of the season — and her second, third and fourth goals overall — in the two games. The freshman helped the Ducks beat San Jose State 5-2 Wednesday and Nevada 2-1 Sunday.

Sunday's home win over the Wolfpack moved the Ducks' season record to 3-1-1. The hard-fought contest epitomized Oregon's newfound resolve to out-hustle and over-muscle their opponents, according to veteran midfielder Chalise Baysa.

"As a team, we're trying to step it up and become more aggressive," Baysa said.

The Ducks certainly started off Sunday's contest more aggressively than the Wolfpack. Baysa and the rest of the offensive players continually applied pressure on the anemic Nevada defense, and outshot the Wolfpack 10-4 in the first half. The Wolfpack did not touch the ball in Oregon's 18-yard box until 35 minutes into the game, although Nevada players took long-range shots before that mark.

As a reward for their efforts, the Ducks struck first in the game, on senior Beth Bowler's rocket shot from the corner of the 18-yard box. The shot, which came after a tricky pass from Garbin, easily beat Nevada's Jessica Gregg and gave Oregon a 1-0 lead with seven minutes left in the first half.

But Nevada controlled the pace to start the second half, and Wolfpack freshman Amy Jackson scored with 37 minutes left in the game. The goal, which was only Nevada's second in seven games this season, came after another player's shot deflected off the crossbar above Oregon goalkeeper Sarah Peters.

"We didn't work on playing well and playing better as the match went on," Steffen said.

Oregon had several chances after Nevada's goal, but it was Garbin who found the back of the net first. With 19 minutes left to play, Oregon senior defender Angela Romero took a free kick from 30 yards out, which Bowler deflected to a streaking Garbin, who squeezed the game-winning shot under Gregg.

Despite netting the game winner, Garbin said the Ducks were still disappointed with their effort.

"We knew that their level was going to be slow," Garbin said. "I don't think we played our game."

"I'm happy we won," Baysa said. "But I'm not happy with how we played."

The win Sunday came on the heels of Oregon's 5-2 victory at San Jose State last week. Garbin scored twice in the contest, after goals from senior midfielder Annie Murphy and Baysa. Sophomore defender Lindsey Werdell ended the scoring with her first goal in an Oregon uniform.

The Ducks beat the Spartans by the same score in Eugene last season, in Oregon's regular-season opener.

In both contests last week, the Ducks continued their run as the most penalized team in their conference. Oregon received two yellow cards Sunday, moving the team's season total to 11 yellow cards. The nearest Pacific-10 Conference team, Stanford, had two yellow cards at the beginning of last week.

The Ducks' games against San Jose State and Nevada were make-ups scheduled in place of the Tennessee tournament, which was canceled because of the terrorist attacks on the East Coast. Oregon would have played Vanderbilt and Tennessee in that tournament.

The Ducks return to regularly-scheduled action against San Diego Friday at 3 p.m., in the second of seven-straight home games.

Horoscope by Linda C. Black

TODAY'S BIRTHDAY (Sept. 24): At first you're busy studying, so you may not notice that you're outgrown your surroundings. You need more room for creativity. You know that dream castle you've pictured in the back of your mind? Put it on paper. You may not get the whole thing yet, but at least you can get going in the right direction.

To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging.

ARIES (March 21-April 19) - Today is a 6 - A close friend is eager to offer suggestions, but don't accept them all. Some are inspirational, but it's your own ideas that will work. Proceed with caution when giving advice a person who outranks you, and continue to exercise caution through Wednesday.

TAURUS (April 20-May 20) - Today is an 8 - Do you have a dear friend you haven't seen in years? Somebody you've been thinking about lately? Or, if you're single, a person you used to know whom you'd like to know again? It's a good day to pull somebody special from your past into your present. Make the call.

GEMINI (May 21-June 21) - Today is a 7 - Something you want is unaffordable. Pare your dreams down so that if you get one thing, you won't have to do without everything else. Unless, of course, you can talk your partner or mate into buying it, which doesn't appear likely.

CANCER (June 22-July 22) - Today is a 7 - Are you in the mood for a little helpful advice? How about somebody trying to tell you what to do every minute of the next three days. Expect to hear some of this from the person or people you live with. Relax and enjoy it.

LEO (July 23-Aug. 22) - Today is a 6 - The work you've been avoiding is finally catching up. Stop trying to hide from it. Turn and face it squarely. You'll be applauded for your courage. Then, go find the manual and figure out how to do it, or ask someone who knows.

VIRGO (Aug. 23-Sept. 22) - Today is an 8 - You may have spent all your money, but don't fret. There's more where that came from. Besides, you have something better. A person you think is just the cutest thing feels the same way about you.

LIBRA (Sept. 23-Oct. 22) - Today is a 7 - Things may not go quite as planned at home, but the end result may be better than you thought, even if it wasn't your idea. Encourage others to get involved in the creative process. If it's really awful, you can change it later.

SCORPIO (Oct. 23-Nov. 21) - Today is a 7 - You're entering a four-week phase where you'll be feeling more pressure. It's time to finish up old jobs, get rid of old stuff and prepare. Once this phase ends, you'll be in charge.

SAGITTARIUS (Nov. 22-Dec. 21) - Today is a 7 - Tell your friends you don't have time to play. You have business calls to make. They won't all be productive, but some of them will be, so make twice as many as you think you'll need. Don't demand an immediate answer. Call back on Thursday and Friday to make the sale.

CAPRICORN (Dec. 22-Jan. 19) - Today is a 6 - You're getting stronger. You're less willing to put up with stuff, and that could cause a problem. Odds are you'll say exactly what's on your mind - soon. Be nice. It could save you money.

AQUARIUS (Jan. 20-Feb. 18) - Today is a 6 - Curtail your wanderings for a couple of days. Sort through the data you've accumulated and see what you've got. A seemingly insignificant item could be the most valuable of all. That goes for the stuff in your closets, too. Don't throw anything out till you've had it appraised.

PISCES (Feb. 19-March 20) - Today is a 7 - Trust your own intuition instead of what you hear. The rumors may be false, but your hunch is right on. Go along with old friends who urge you to take action. They'll point you in the right direction.
