"The first day, we ran out of the 'Mighty Oregon' CD completely, and we were out for a while," Quigley said.

Mortenson added that the first batch of marching band CDs sold out, but sales slowed down after the release of "Mighty Oregon."

"Before 'Mighty Oregon' came out, the Oregon Marching Band CD sold really well," he said. "When 'Mighty Oregon' came out, it kind of took over."

Zimbelman said although the release of "Mighty Oregon" may have

taken away from the sales of the marching band CD, its sales go to a good cause.

"The school of music is terribly underfunded," he said.

Although the marching band CD and "Mighty Oregon" are displayed together in the stores and appear similar, Barkhurst said he does not think either CD overshadows the other.

"I think they complement each other very well," Barkhurst said. "The CDs are different enough even though they both have the fight song."

renewed sense of responsibility toward the campus and the community in general.

"We have to do something for all the 18-year-old students coming to campus from all over the U.S. who might not be too certain about what's happening," she said. "Not everyone agrees on what to do right now, but I think it's important to open a dialogue. People can learn a great deal from this."
