UNIVERSITY OF OREGON

**Horoscope by Linda C. Black**

**TODAY'S BIRTHDAY** (Oct. 2). This year is about stepping past old boundaries. You're being pushed to try new things, and you're trying them because you've outgrown your old routine. Trust a sometimes-critical woman who loves you, and a sometimes-strict man who believes you can soar.

To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging.

**ARIES** (March 21-April 19) - Today is a 6 - Seems like everybody wants your time and attention. Do they really expect more than you can give, or are you holding back? Don't take out your frustrations on your mate. He or she is more confused about this than you are.

**TAURUS** (April 20-May 20) - Today is a 6 - Doing the job wouldn't be so hard if everybody would just agree on the job they want you to do. It may feel as if your life is being run by a committee or, even worse, a bureaucracy. Figure out what works for you so that you can tell them should the opportunity arise. It'll be a while.

**GEMINI** (May 21-June 21) - Today is a 7 - Your main problem now is excessive speed. You're smart and agile, but don't get reckless. That counts with your words as well as your actions. Don't double-book your time this evening, either. Check your calendar!

**CANCER** (June 22-July 22) - Today is a 6 - You're generous, warm and loving, but is there enough of you to go around? If you try to be everything for everybody, you may wonder. Don't forget to save a little time and compassion for yourself. They'll survive.

**LEO** (July 23-Aug. 22) - Today is an 8 - You get to make a choice between two attractive options. Will you go for the action-packed adventure or the sophisticated, educational experience? One thing's certain: Tonight, work and worry can wait.

**LIBRA** (Sept. 23-Oct 22) - Today is a 7 - Somebody who's about to drive you crazy could be your best coach ever. Could it be that you find something frustrating in this other person that you don't want to see in yourself?

**SCORPIO** (Oct. 23-Nov. 21) - Today is a 6 - You may be doing your job the hard way, through no fault of your own. If the person you're supposed to be serving can't make up his or her mind, you're sort of stuck. Maybe what this person really needs is your help in making a decision.

**SAGITTARIUS** (Nov. 22-Dec. 21) - Today is a 7 - You could go through a lot of money in the blink of an eye. Although you're in a good mood, it's not a very good day to gamble. Too many changes going on. Keep your money stashed away, and wait until things settle down.

**CAPRICORN** (Dec. 22-Jan. 19) - Today is a 5 - You'd like to get the job done, but complications keep arising. People can't agree on what they want, or where they want things to happen. Take control! Somebody has to be the boss. Start by assigning duties to the others.

**AQUARIUS** (Jan. 20-Feb. 18) - Today is a 7 - Don't start off on a new expedition just yet. You don't have enough information. That's partially due to changes taking place right now. Have a Plan B in case Plan A fizzles.

**PISCES** (Feb. 19-March 20) - Today is a 6 - Sometimes you just know that everything's going to be OK, even if you can't figure out how. Disregard rumors of impending doom. Changes are taking place, but some of them are for the better.

**Virgo** (Aug. 23-Sept. 22) - Today is a 6 - Does money seem to slip through your fingers? Luckily, your old, familiar revenue sources are still flowing, and budgeting is a little easier now. Sharpen your pencil and get back to basics.
