**Horoscope by Linda C. Black**

**TODAY'S BIRTHDAY** (Oct. 8). Distant horizons beckon, and you're eager to learn. What's over the next hill? How many more degrees can you accumulate? Your curiosity is boundless, so don't let your old fears limit you. This year, explore things the way a child would - yet responsibly, like an adult.  
To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging.

**ARIES** (March 21-April 19) - Today is a 6 - Finish as much homework as you can, even if it's not due yet. If you're not enrolled in a class, just follow your instincts. The more you can learn before tomorrow, the better. You'll have less time for reading then.

**TAURUS** (April 20-May 20) - Today is a 6 - You're a shrewd negotiator. Make your deal early, and get what you want. Make sure the others feel as if they've got a bargain, too. That's the nice thing about you: You can make everybody feel like a winner, while you walk away with the prize.

**GEMINI** (May 21-June 21) - Today is a 7 - You can talk people into just about anything, so why aren't you rich? Maybe you are, but you know you're more money to be made. Money is a byproduct of creativity, and you have plenty of great ideas. Get practical, and transform another one into cash.

**CANCER** (June 22-July 22) - Today is a 7 - Amazingly, you're able to find what you were looking for and express your feelings clearly. A person you'd just about decided to cross off your list becomes a friend again, and it's due to your persistence.

**LEO** (July 23-Aug. 22) - Today is a 7 - Meetings and conversations go well early. People are in the mood to talk then, and they'll say exactly what they mean. It may be more difficult to figure out what's going on in the evening, when people will be more likely to tell you what they think you want to hear.

**VIRGO** (Aug. 23-Sept. 22) - Today is a 7 - This week, going back to work could be a relief. Don't get stuck in your old routine, though. Let your supervisor know you're up for a challenge. No matter how much you know, there's always room to grow.

**LIBRA** (Sept. 23-Oct. 22) - Today is an 8 - You continue to be charming, witty and cute. It'll now be easy to express yourself and make new friends. It'll also be easy to write, so if you have a report that's almost due, get started. You could come up with your final product on the very first draft.

**SCORPIO** (Oct. 23-Nov. 21) - Today is a 6 - Follow the money trail. If you ask leading questions, you'll find ways to get it. It's not easy, but it's possible. Keep at it.

**SAGITTARIUS** (Nov. 22-Dec. 21) - Today is an 8 - You're learning quickly. You still have to pay close attention in order to keep up with some of the others. Don't compete with somebody who's been playing this game for years. Instead, get him or her on your side.

**CAPRICORN** (Dec. 22-Jan. 19) - Today is a 5 - It's time to get an increase in your allowance, paycheck or benefits? If you think so, it is. Talk to the person who signs the checks. If the money is there - and it likely is - it's possible to get more of it coming your way. Ask.

**AQUARIUS** (Jan. 20-Feb. 18) - Today is a 9 - Have you noticed you can see farther than before? It's because you're growing. You're gaining knowledge and experience, and becoming more confident. If you want a favor from a loved one, ask later rather than earlier.

**PISCES** (Feb. 19-March 20) - Today is a 6 - Although work is required, you can get some excellent deals that will help you spruce up your personal habitat. Deal with people directly, and you'll get excellent deal. Put in the effort.
