Horoscope by Linda C. Black

TODAY'S BIRTHDAY (Oct. 9). This is the year you go to modeling school, or boot camp. You get to learn how to do everything perfectly, which fork to use for salad, how to iron a dress shirt properly, how to curtsy or salute. The good news is, you'll be an even more gracious lady or gentleman than before, so don't complain. Get into it!

To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging.

ARIES (March 21-April 19) - Today is a 5 - Others may be pushing you to take quick action, but you'd better be cautious. If what you hear doesn't quite make sense, use your own better judgment. Don't let someone else's mistake get you into a mess.

TAURUS (April 20-May 20) - Today is a 7 - You've had your attention on business lately. A loved one may be feeling neglected. Make up for it with a special treat. Don't try to explain what you've been going through. A special meal shared together will express your love better.

GEMINI (May 21-June 21) - Today is a 6 - If you're laying the groundwork for a big deal, don't get pushy. Find out what people want, and think of ways you could provide it. Do the preliminary work, but don't rush. New developments tomorrow require further consideration.

CANCER (June 22-July 22) - Today is a 7 - No more Mr. Nice Guy (or Mrs. Nice Gal). You don't like to be pushy, but your opinion matters, too. Somebody else has been freely expressing theirs, so why shouldn't you?

LEO (July 23-Aug. 22) - Today is a 6 - Are you obsessing about something? Possibly about whether you're doing a tough job right? You always want to be the best, but it's not easy when you're getting conflicting orders. Don't rush. They may change their minds again.

VIRGO (Aug. 23-Sept. 22) - Today is a 7 - A friend who's asking for assistance needs advice,
