Horoscope by Linda C. Black

TODAY'S BIRTHDAY (Oct. 12). Have you taken a public-speaking class yet? You'll love it! If you're already used to being in front of a crowd, you'll get even better. You'll amaze family and friends, win awards and convince people to do what you want. This year's gonna be fun!

To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging.

ARIES (March 21-April 19) - Today is an 8 - You and a very important person in your life need to have a long talk, perhaps over lunch. Pick a nice place, but make sure it's not too crowded. You may want to discuss a delicate topic, so you'll need some privacy.

TAURUS (April 20-May 20) - Today is a 6 - Get organized at work. As you go through the papers and receipts, you could find something valuable.

GEMINI (May 21-June 21) - Today is an 8 - You're learning even more quickly than usual. You're making a great impression on a person you admire. Keep studying!

CANCER (June 22-July 22) - Today is a 6 - With just a little extra push, you'll be over the top. It might not be that difficult. Use your positive attitude to close the deal. Make it seem like the most natural thing in the world. This takes discipline.

LEO (July 23-Aug. 22) - Today is an 8 - If you say the same thing over and over again, eventually people will hear it. When they do, they'll think you're saying it for the first time. This could soon happen again.

VIRGO (Aug. 23-Sept. 22) - Today is a 6 - The money you've been promised should finally come. Changes to your schedule can be annoy-

ing if somebody else is making them, but you can adjust. After all, it's Friday, and the moon is going into your sign. You can do what you want this weekend!

LIBRA (Sept. 23-Oct. 22) - Today is an 8 - If you give your support to a strong leader, you'll be hitching a ride to success. You always do best when you have a good partner, but now you might find you have two - one for work and one for your private life. Just remember who's who.

SCORPIO (Oct. 23-Nov. 21) - Today is a 6 - You do well as the power behind the throne, not the person in the spotlight. Besides, someone else wants the spotlight, as you've no doubt noticed. Be charming, gracious and supportive - while forwarding your own agenda, of course.

SAGITTARIUS (Nov. 22-Dec. 21) - Today is an 8 - Concepts that were difficult to understand or express earlier this week are now easier, so get the message out. And get yourself out for some exercise.

CAPRICORN (Dec. 22-Jan. 19) - Today is a 5 - Minimize distractions while you're dividing up the money. There will be enough to go around. There's even enough to hide away for later, to make your future more secure.

AQUARIUS (Jan. 20-Feb. 18) - Today is a 7 - You'll do best now with the help of a good partner. That way, you won't have to know everything. Find a partner who fills in your gaps.

PISCES (Feb. 19-March 20) - Today is a 6 - You're one of the most generous people in the world with both your time and money, but that doesn't mean you have to do everything you're asked. Be a good friend, not a doormat.
