Horoscope by Linda C. Black

TODAY'S BIRTHDAY (Oct. 15). You'll have almost everything you want handed to you on a silver platter this year, but there's still a challenge to be met. First, you have to decide what it is. Second, you must decide that you deserve it. Third, you have to make it happen. Sheer intention is the secret ingredient. That, plus a little faith.

To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging.

ARIES (March 21-April 19) - Today is an 8 - How about taking a back seat for a while and letting somebody else do the driving? Are you worried they might make a mistake? Well, they might, so don't go to sleep. Be the navigator.

TAURUS (April 20-May 20) - Today is a 6 - It sure is Monday, isn't it? You may wonder how all that paper stacked up so fast. You only turned away for a minute, and now there's a mountain of it. Don't fight it. Just start sorting - or shoveling.

GEMINI (May 21-June 21) - Today is a 9 - Any way you can get the day off? It's obvious you're not into working today. You'd rather play, and your odds of winning are good. That goes for romantic games, too.

CANCER (June 22-July 22) - Today is a 5 - Make extra time for yourself. Have a special treat at Tunch, or buy a few little extravaganzas. You deserve a little pampering. Don't wait for somebody else to pamper you.

LEO (July 23-Aug. 22) - Today is an 8 - Since you're such an active person, some people may not realize you're also a scholar. When you get really interested in a new project, you learn as much as you can about it. You may find a book today that you can't put down. Enjoy!

VIRGO (Aug. 23-Sept. 22) - Today is a 7 - By now, you know what's needed. Your assignment is to provide it. Since you can't do everything for everybody, be selective. Do something that you love, something that pays well.
