Horoscope by Linda C. Black

TODAY'S BIRTHDAY (Oct. 17). If you're so smart, why aren't you rich? If you are rich, get more. Then, do good things with it. A vision you've had is so far out, it's completely unreasonable. You know which one I'm talking about? Yes, that's the one. Now go get it!

To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging.

ARIES (March 21-April 19) - Today is a 6 - If you have a significant other, it's likely that person will want to go shopping with your money. Have you talked this over? Better make your feelings known. If you don't have a significant other, ask out a salesperson or a stockbroker. Either can help you succeed.

TAURUS (April 20-May 20) - Today is a 7 - There's still a mess to be cleaned up, but at least you're not alone. Somebody very attractive is trying to get your attention. Somebody who's very annoying may be pestering you, too. Schedule a romantic dinner with the former.

GEMINI (May 21-June 21) - Today is an 8 - Oops! Better put a lid on the frivolity for a while. Time to get back to work. All that stuff you've been avoiding has caught up with you, so don't put it off any longer. Not all of it, anyway.

CANCER (June 22-July 22) - Today is a 7 - If you already have the perfect person in your life, you'll feel like making a new commitment that helps your love grow even stronger. If you haven't identified your perfect mate yet, be alert. He or she could be nearby.

LEO (July 23-Aug. 22) - Today is a 7 - An advisor who's been holding back encouragement is becoming more supportive. Is it due to a change in you, in him, or both? Meanwhile, new considerations surface. More work is required, but you can succeed.

VIRGO (Aug. 23-Sept. 22) - Today is a 7 - You're doing well with what you already know, but you

could do even better. Don't give up a sure thing, but start exploring your options. What else is there? What do you have to know to get it? Where do you sign up for the class?

LIBRA (Sept. 23-Oct 22) - Today is a 9 - Don't schedule a lot of social activities for today or tomorrow unless they're with the folks who sign your paychecks. You're not really schmoozing; it's just an excellent way to shift more of the resources your way. Don't be shy about it.

SCORPIO (Oct. 23-Nov. 21) - Today is a 6 - You're stronger, but you're not quite ready yet. Continue to sort through your options, discarding some and saving others. Don't make any commitments or burn any bridges yet. Stall.

SAGITTARIUS (Nov. 22-Dec. 21) - Today is a 7 - You may be feeling a twinge of guilt for having so much fun lately. Don't worry. It won't last long. The guilt, that is. Better finish a few chores while they're on your mind, though. You have a big party weekend coming up.

CAPRICORN (Dec. 22-Jan. 19) - Today is a 6 - You'll soon discover that you're not the only one who doesn't agree with the prevailing opinions. Band together and make plans. The tide turns in your favor; in less than a week. Be ready to take action then.

AQUARIUS (Jan. 20-Feb. 18) - Today is an 8 - Things haven't come to a screeching halt, but they've slowed down a bit. It's simply time for a reality check. You didn't think everything out completely before making the commitment. Who could? Make corrections.

PISCES (Feb. 19-March 20) - Today is an 8 - Think you could break out of your same old dull routine for a little while and escape to a romantic spot with your favorite companion? Sure you can. For just a little while.
