Horoscope by Linda C. Black

TODAY'S BIRTHDAY (Oct. 22). Your commitment to the peaceful resolution of conflicts can sometimes seem like a disadvantage. You may take a couple of good-sized bonks this year before you decide to fight back. Don't let anybody bully you. It's not good for their karma or your ego. Be compassionate yet strong, gentle yet firm. To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging.

ARIES (March 21-April 19) - Today is a 6 - Although the person you care most about thinks you're wonderful, others may have reservations. It's not good to be rude to an older person, even if you're right.

TAURUS (April 20-May 20) - Today is a 7 - Work could interfere with your play. Luckily, you're in a good mood. You can put up with all the phone calls and people demanding attention.

GEMINI (May 21-June 21) - Today is an 8 - You'll feel like you've been dragging an anchor and have finally let it go. By tomorrow you should notice yourself being more effective in just about everything.

CANCER (June 22-July 22) - Today is a 7 - Somebody doesn't agree with your proposal, but somebody else thinks it's fine. Between you and your partner, convincing the skeptic is just a matter of patience. It'll get easier as time goes by.

LEO (July 23-Aug. 22) - Today is a 7 - Not only is there too much to do, but nothing is staying on schedule. Stuff you're supposed to have doesn't arrive. People who were supposed to call you forget to call. Stay cool. Conditions improve tomorrow.

VIRGO (Aug. 23-Sept. 22) - Today is a 7 - A setback is minor, so don't let it get you down. You're

still gathering information, but you don't have quite enough yet. Tomorrow things will get easier in more ways than one. Meanwhile, relax and snuggle.

LIBRA (Sept. 23-Oct 22) - Today is an 8 - Conditions are changing again. The sun's move into Scorpio puts more emphasis on money for the next few weeks. Let things evolve naturally.

SCORPIO (Oct. 23-Nov. 21) - Today is a 7 - You're getting stronger. Can you feel it? New information you've gathered comes in handy. If your first attempt doesn't work, you'll have a Plan B ready.

SAGITTARIUS (Nov. 22-Dec. 21) - Today is a 7 - The sun's move into Scorpio dampens your festive mood somewhat - that and the fact that it's Monday. The Scorpio transit lasts four weeks, and it's a planning phase. After that, the sun will go into your sign, and you'll launch all of your new endeavors.

CAPRICORN (Dec. 22-Jan. 19) - Today is a 7 - You're strong, and you'll need every ounce of that strength to stand up for what's right. Amazingly, that's all you have to do. Just tell the truth, even if it's not popular.

AQUARIUS (Jan. 20-Feb. 18) - Today is a 6 - The pressure's even worse than you remembered. Your progress is temporarily thwarted as you run into one roadblock after another. All is not lost, just delayed.

PISCES (Feb. 19-March 20) - Today is an 8 - Your sweetheart could get a little jealous if you spend too much time with your friends. If he or she isn't interested in that sort of activity, try to make time for everyone.
