Horoscope by Linda C. Black

TODAY'S BIRTHDAY (Oct. 25). A situation you've been putting up with at home gets worse before it gets better. What if the thing you're most worried about actually happens? It might be a relief. It'll give you one less thing to worry about as you spring into action, and it could lead to the discovery of a hidden treasure.

To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging.

ARIES (March 21-April 19) - Today is an 8 - Teamwork is still your key to success. You have the courage and the enthusiasm. Get somebody who can solve technical puzzles and fix things. Somebody who has deep pockets would be good to have on board, too.

TAURUS (April 20-May 20) - Today is a 5 - You're a good negotiator because you're patient. You can wait to get what you want. You can figure out what the other guy wants, too. If you find a way to solve his problem, you can write your own ticket.

GEMINI (May 21-June 21) - Today is a 9 - Work and play make a good mix. Go off on a quest. Take an advanced-level course in something you can put to use as you amass your next fortune. The money's out there. Rake it in.

CANCER (June 22-July 22) - Today is a 7 - You may notice you have less tolerance for minor irritants. You want things to be the way you like. It's OK to insist that certain standards be met.

LEO (July 23-Aug. 22) - Today is a 7 - You're a pretty good strategist, but you can get even better. Carefully draw up the plans for your next project. Make your mistakes on paper, then have an expert catch them before you start working with metal and wood. Be the best.

VIRGO (Aug. 23-Sept. 22) - Today is a 7 - Kick yourself into overdrive while performing a rou-

time you've performed a thousand times before. See if you can shave a few minutes off your previous record. Maybe you can push yourself to a whole new level.

LIBRA (Sept. 23-Oct. 22) - Today is a 9 - You can make the big bucks, and it doesn't have to require more work. Once you make up your mind that you're worth it, the rest is easy.

SCORPIO (Oct. 23-Nov. 21) - Today is a 6 - Continue to upgrade your tools and appliances. Get rid of the energy guzzlers and make your life easier. This is difficult, but things get easier once you're finished.

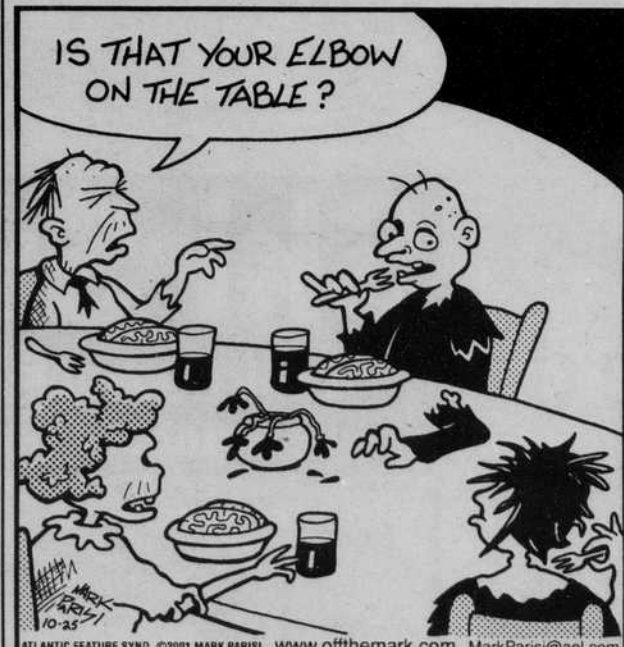

SAGITTARIUS (Nov. 22-Dec. 21) - Today is an 8 - Make time to read. You may be most interested in technical manuals, and they take longer. Are you installing a computer program or fixing something for a friend? If not, you might give something like that a try. It's a good day for it.

CAPRICORN (Dec. 22-Jan. 19) - Today is a 7 - Abundance can be yours. It could come from a familiar source, or in a way you never imagined. You won't have to steal to get it, and you may get to provide a service. Start by offering to do just that.

AQUARIUS (Jan. 20-Feb. 18) - Today is an 8 - Continue to hold out for what you want. It may be tomorrow or the next day before you get it, but that's OK. You've got vision, good facts to support you, and friends who believe you can win. You're set.

PISCES (Feb. 19-March 20) - Today is a 7 - You're not quite finished yet, but almost. Just a few more details to check off your lists. Go over your work again just to make sure. Big day comin' tomorrow. Clear the decks.
