## Horoscope by Linda C. Black

**TODAY'S BIRTHDAY** (Oct. 26). First, get your nest into order. Then you can relax. You need a safe place where you can bring a gentle person. A secret love ends up becoming the real thing. Sure, there'll be problems, but nothing you can't overcome. With faith and love, all things are possible.

To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging.

**ARIES** (March 21-April 19) - Today is a 7 - Pick up a little something special for your sweetheart and for a friend or two. A funny card, chocolates, tickets to the game - you don't have to spend a lot to make a fabulous impression. It'll feel good to make them smile.

**TAURUS** (April 20-May 20) - Today is a 7 - A seed you planted long ago and tended with care should start to bear fruit. This means cash. Something you've been taking care of has appreciated. Check it out.

**GEMINI** (May 21-June 21) - Today is an 8 - If you're going to ask for more money, do it carefully. Be polite, respectful and considerate. Make it clear that you'll provide more than is requested so that the other person is getting a good deal. No tricks.

**CANCER** (June 22-July 22) - Today is an 8 - Your intuition is starting to work again. Your guardian angel is trying to tell you something. Your urge to get out for a new adventure - that's it! This message is not coming mentally. It's visceral.

**LEO** (July 23-Aug. 22) - Today is a 7 - How can you find the money to do what you want? There's plenty of money, but how do you get them to give it to you? Get advice from a person who owes you a favor.

**VIRGO** (Aug. 23-Sept. 22) - Today is an 8 - It should be getting easier to get your meaning across. This goes for the nonverbal as well as

the verbal means of communication. The latter is obstructed by all the work you're cranking out today, but it should be a breeze tonight.

**LIBRA** (Sept. 23-Oct. 22) - Today is an 8 - There's work to be done in order to bring in that fat paycheck. If creativity is required, never falter. Your intuition is right on target now. Not only do you know what to do, but you know what will be profitable. Be bold.

**SCORPIO** (Oct. 23-Nov. 21) - Today is an 8 - Do you have a secret romantic fantasy? Something that requires a little more of an investment than you usually spend? How about a weekend in a nice hotel with your true love? Get the honeymoon suite with the Jacuzzi.

**SAGITTARIUS** (Nov. 22-Dec. 21) - Today is a 7 - Instead of traveling, how about having the gang over to your house? Or what about just having the place to yourself? You may decide to let them party on without you while you get some needed sleep. Relax and let your subconscious mind do the work.

**CAPRICORN** (Dec. 22-Jan. 19) - Today is an 8 - Some lessons are learned through words, some through experience. But our experience isn't always reliable. We remember selectively. We look backwards through filters. Don't do that, OK? Something that was tough can be easy.

**AQUARIUS** (Jan. 20-Feb. 18) - Today is a 7 - It's time to make the sale. Get the signature and put the check into the bank. Don't talk too much. That would be counterproductive. If you behave as if it's a done deal, it will be.

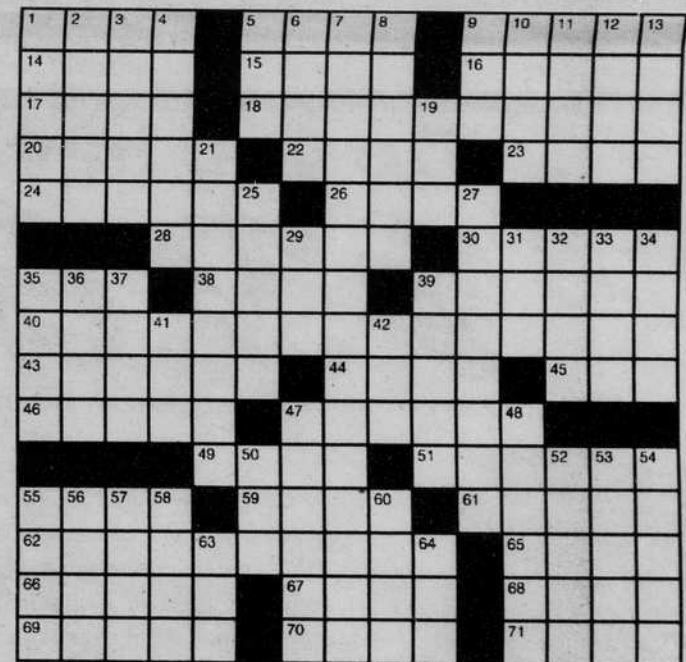

**PISCES** (Feb. 19-March 20) - Today is an 8 - The more you get done, the more energy you'll have. It's not magic; it's more like plumbing. You're cleaning out the pipes, unclogging the drains. You're letting the energy flow. Keep at it!
