Horoscope by Linda C. Black

TODAY'S BIRTHDAY (Oct. 31). Stability is your objective, and it's your natural inclination. One who shares that goal is your partner now and perhaps forever. You choose. The stars impel, they do not compel. Making the commitment is up to you two.

To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging.

ARIES (March 21-April 19) - Today is a 7 - Should you keep what you have, or invest it in an attempt to make more? A long-term investment could work, but a short-term one probably won't. Let your money do the work, but you still need to supply the brains.

TAURUS (April 20-May 20) - Today is a 7 - You and your partner have an advantage: each other. Your adversary isn't as fortunate but is still formidable. Don't take him or her for granted. Figure out how to work the system and get all the benefits.

GEMINI (May 21-June 21) - Today is a 7 - You're an up-front sort of person most of the time, but you can keep a secret if you put your mind to it. You're not being sneaky or dishonest, hopefully. You're waiting till the time is right to divulge what you know. Now is not that time.

CANCER (June 22-July 22) - Today is a 7 - You're collecting good feedback and making new contacts. That's the best use of your time. Don't try to convince anybody of anything. They're all too set in their ways. For now, continue your preparations.

LEO (July 23-Aug. 22) - Today is a 7 - Slow down a little. You pushed hard for the past few days. Now, coast. New problems are showing up, but that's to be expected. You're into new territory now. Start making new lists, and you'll be checking things off in no time at all. Take it easy.

VIRGO (Aug. 23-Sept. 22) - Today is an 8 - The hard part is over, at least for a while. Right now,

you should be doing well and entering a learning phase. Taking a class might be tough, but it could be worth the trouble. Only do it for a fascinating subject, or if you're working toward your degree.

LIBRA (Sept. 23-Oct 22) - Today is a 7 - It's time to take care of business again. Although magic is in the air, some contact with reality is required. Don't forget to pay the mortgage or the rent.

SCORPIO (Oct. 23-Nov. 21) - Today is a 6 - Don't be bothered by something that's not working properly. This goes for people, too. You and a good, solid partner can get just about whatever you want, so find somebody to back up your position. Alone, it's a struggle. Together, it's just another bump to be smoothed out.

SAGITTARIUS (Nov. 22-Dec. 21) - Today is a 7 - You're great at formulating lofty ideas and selling them. The hard part is closing the deal, getting people to pay, having that check clear the bank. You can do it; it gets easier with practice. Once you master this skill, you're set free.

CAPRICORN (Dec. 22-Jan. 19) - Today is a 7 - You're the keeper of the family legends. Don't keep those stories to yourself. The next generation needs to hear the tales of courage, defeat and triumph. They are the living proof of those victories.

AQUARIUS (Jan. 20-Feb. 18) - Today is a 7 - It's time for another rest. Slow down and take a stock. Count your winnings and tally up your losses. Sleep more hours than usual tonight - and not with the help of pills, either.

PISCES (Feb. 19-March 20) - Today is an 8 - The more you learn, the fewer things bug you. Instead of a bunch of fears, you have confidence. You have skills, so don't let your fears keep you from learning.
