Ballot Measure 20-53

This city would use short-term strategies to preserve and improve existing roadways in West Eugene. This strategy focusing on the enhancement of roads as a short-term solution and the development of alternative forms of transportation as a long-term strategy. Altogether this measure would preserve 44.2 acres of wetlands west of Bellline.

Ballot Measure 20-54

This ballot measure would move forward with the plan to build the West Eugene Highway, a four lane parkway running for 5.8 miles east-west from Garfield to outside city. The goal of this project is to reduce current traffic volume on West 11th at Bellline and would cost the city an estimated 88.5 million. Approximately 50 acres of wetlands will be filled with an estimated 53-92 acres being created or enhanced to make up for the loss.

Paid for by ASUO Executive.

Horoscope by Linda C. Black

TODAY'S BIRTHDAY (Nov. 5). First, get your financial affairs into order. It shouldn't take too long. Then, sign up for a class or two. Get that degree or credential you've promised yourself. Go back to dog-training school, or take that intensive course in the martial arts. You'll never be the same, and that can be a good thing.

To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging.

ARIES (March 21-April 19) - Today is a 5 - You're not quite up to par. Don't take an extra work now, and don't say much about what you're already doing. No point in letting the competition in on your plans. You do have plans, don't you? If not, find a comfortable place to be and come up with some.

TAURUS (April 20-May 20) - Today is a 7 - A very attractive person has something to teach you. It could be about business, or it could be about love - that part isn't clear. The attraction is obvious, however, and the lesson could bring you great rewards. Try not to let it get in the way of your regular duties.

GEMINI (May 21-June 21) - Today is a 7 - Make tentative plans but not major commitments. Focus most of your attention on bringing the money in, not on how you're going to spend it. Set goals, then plans, then a checklist. Then, get started.

CANCER (June 22-July 22) - Today is a 7 - You're lookin' good and feelin' even better. You're ready to try something bold. But be forewarned that actions will be much more effective than words. Don't talk about it; just do it.

LEO (July 23-Aug. 22) - Today is a 5 - Take time to ponder your possibilities, assess your options, explore your alternatives. Set priorities and consult advisors. This is not procrastination, it's planning.

VIRGO (Aug. 23-Sept. 22) - Today is a 7 - Your discarded items could be exactly what your favorite group needs. One person's trash is another's treasure, so don't just pitch that stuff. Find a good home for it.

LIBRA (Sept. 23-Oct. 22) - Today is a 7 - No more goofing off. Time to settle down and get back to business. You sure like going places, so don't complain if you have to work to pay for it. But don't work harder. Work smarter.

SCORPIO (Oct. 23-Nov. 21) - Today is a 7 - Share information you've recently learned with a person who can put it to good use. This will eventually be to your benefit, but don't do it for that reason. Do it because you can and because it will help.

SAGITTARIUS (Nov. 22-Dec. 21) - Today is a 6 - You're naturally lucky, but this is not a great time to gamble. Make a secure investment instead. Something that was beneficial before, or something old, should work. But don't talk about it. Do it.

CAPRICORN (Dec. 22-Jan. 19) - Today is a 6 - It's payback time. Do something special for a person who did a good deed for you once. If you don't immediately know who, give yourself a minute. You'll think of somebody. But don't tell. Have it be a surprise.

AQUARIUS (Jan. 20-Feb. 18) - Today is a 7 - Time to reign in your enthusiasm somewhat. Channel that energy. Your friends, relatives and co-workers will be amazed at how much you can accomplish.

PISCES (Feb. 19-March 20) - Today is a 6 - Something you'd been wondering about is starting to make sense. The solution being proposed now is much more to your liking. Negotiations haven't been completed yet, so don't drift off. Continue to pay close attention.
