MARIA HAD FEWER COMPUTER PROBLEMS AFTER INSTALLING THE SERGE PROTECTOR

Horoscope by Linda C. Black

TODAY'S BIRTHDAY (Nov. 12). You're brilliant at devising strategies for peace. And yet, you may use them this year to penetrate the other side's defense. All's fair in love and war. Don't become the enemy. Instead, be a beacon for the triumph of love. Be ruthlessly compassionate.

To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging.

ARIES (March 21-April 19) - Today is a 6 - Let yourself be swept away by someone else's enthusiasm. You're often the one who starts things, but this time it's OK to be a follower. Don't sneak home later. Go out with the gang to celebrate your recent victories. And unless you're on the wagon, let somebody else do the driving.

TAURUS (April 20-May 20) - Today is a 6 - An idea that has merit may be a tad premature. There are still a few bugs to be worked out, as you'll soon discover. If this is happening at work, the odds are good that a profitable solution to the problem will soon emerge.

GEMINI (May 21-June 21) - Today is a 7 - Things should be going well. There's plenty to keep you busy, and plenty of money. It's not quite time to splurge, however. Make promises to your true love, and follow through on them this weekend.

CANCER (June 22-July 22) - Today is an 8 - Even if you're a little under the weather, love gives you the strength you need. Everything isn't quite perfect yet, but you're getting there. You'll come up with the money eventually.

LEO (July 23-Aug. 22) - Today is a 5 - You'd like to get going, but something is slowing you down. Are you dragging an anchor? Still tied to the dock? Ask your mate or partner if there's something you're missing. Get help from a friend who can see things you can't.

VIRGO (Aug. 23-Sept. 22) - Today is a 7 - A friend might try to talk you out of accepting a difficult assignment. Don't listen. You can learn to do it, and it will mean more money. Ask for your friend's support. You'll get it eventually.

LIBRA (Sept. 23-Oct 22) - Today is a 7 - Your opinion is important, so make sure it's heard, even by those who outrank you. And yes, you can take on new responsibilities, but not at the expense of your family. Seek their advice before accepting.

SCORPIO (Oct. 23-Nov. 21) - Today is a 7 - Your enthusiasm has been dampened slightly. Things turn out OK, but keep travel to a minimum. A private conversation with family is your best entertainment option for tonight.

SAGITTARIUS (Nov. 22-Dec. 21) - Today is a 7 - Your friends can help you put things into perspective, but don't just do what they suggest. Use your own judgment, especially where your money is concerned. The ideal combination is another person's idea blended with your modifications.

CAPRICORN (Dec. 22-Jan. 19) - Today is a 7 - You're a doer, not a talker, so you may not think of yourself as a counselor or teacher. But people respect your advice. You may discover this soon, when an authority figure asks for your opinion.

AQUARIUS (Jan. 20-Feb. 18) - Today is a 7 - A person from far away may need your assistance. This could be a friend of a friend. Use your expertise to fix what's broken. You'll have a winning idea.

PISCES (Feb. 19-March 20) - Today is a 7 - A disagreement with a loved one about how to spend money mars an otherwise placid day. Still, if you keep looking, you can find something you both like at a price you can afford - maybe even later tonight.
