Horoscope by Linda C. Black

TODAY'S BIRTHDAY (Nov. 13). You sure are powerful this year. That's good, because you have some big choices to make. Should you move or stay? Renovate? Redecorate? Maybe a new coat of paint? Finish up the projects you've got going, then get really creative. Make your home close to perfect.

To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging.

ARIES (March 21-April 19) - Today is a 4 - Sometimes you like to be in front of the roaring crowds, to be the star of the show. Sometimes you like to be backstage where nobody can see you, and that's just as it should be. There are things that should only be done in private, like counting money.

TAURUS (April 20-May 20) - Today is a 6 - You're an excellent listener, and that's a talent you'll put to good use. Your mate or partner is running into one frustration after another. You could offer good advice, but you'd be wiser to let the other person do most of the talking. Let him or her figure it out.

GEMINI (May 21-June 21) - Today is a 6 - Resist temptation for one more day. Don't schedule outings, meetings or even lunch with friends. Save it all for Friday. You'll have your hands full keeping up with grunge work. The money is good, so stick with it.

CANCER (June 22-July 22) - Today is an 8 - If you've recently made a major purchase, you may have some explaining to do. You shouldn't be in too much trouble, though. Love rules, starting tonight. None of that other stuff matters.

LEO (July 23-Aug. 22) - Today is a 5 - The more you learn, the more powerful you become. There's a real puzzle to be solved. It might take a while, so be patient. Give it until Friday.

VIRGO (Aug. 23-Sept. 22) - Today is a 7 - Invest
