### Horoscope by Linda C. Black

**TODAY'S BIRTHDAY** (Nov. 15). Use all of your resources to wrap up a big project this year. This is something you've been planning, and saving up for, for quite a while. You'll get encouragement, motivation and possibly even financial support from your family. Home is a source of security, too. It's your launching pad. You've got the energy and motivation, so just do it!

To get the advantage, check the day's rating. 10 is the easiest day, 0 the most challenging.

**ARIES** (March 21-April 19) - Today is a 4 - Just when you have one problem solved, another floats to the surface. Is there no end to them? Actually, no. They just change form, shape and size. As long as you're stirring things up, you'll encounter them. Stop complaining.

**TAURUS** (April 20-May 20) - Today is a 6 - Consult your partner before deciding what to buy or where to invest your money. He or she has strong opinions about what should be done. If you find the decision has already been made, just try to get your two cents in.

**GEMINI** (May 21-June 21) - Today is a 5 - It's always darkest before the dawn. Tomorrow will be much better. Tonight could be OK. Today, continue to slog through the mud. You get extra points, and possibly cash, for your determination.

**CANCER** (June 22-July 22) - Today is a 9 - Formulate your plans early and get started as soon as possible. This should be something that you and your sweetheart can work on together. If you don't have a sweetheart yet, find a project you can work on with a cute single person. Then, see what develops.

**LEO** (July 23-Aug. 22) - Today is a 6 - Just because you're not saying much doesn't mean you're stuck in the mud all day. You're thinking, right? You might even figure out the puzzle.

Looks like there will be a celebration later.

**VIRGO** (Aug. 23-Sept. 22) - Today is an 8 - Your work should be getting more interesting as you go along. Use what you're learning, plus the things you already use, to help a friend in need. He or she will think you're an angel.

**LIBRA** (Sept. 23-Oct. 22) - Today is a 5 - Continue to push hard. You can assume new responsibilities and be abundantly rewarded. Don't be foolish with your money, even if you have plenty. It's better to be humble and secure.

**SCORPIO** (Oct. 23-Nov. 21) - Today is an 8 - When you get like this, you're awesome. You make things happen. People scurry to do your bidding. Sometimes you don't even have to tell them. But don't wait for that. Tell them.

**SAGITTARIUS** (Nov. 22-Dec. 21) - Today is a 5 - Do you feel pushed to take action? Is someone's inner voice encouraging you to be bold? If what you do will help protect others, you're on the right track. Trust those impulses.

**CAPRICORN** (Dec. 22-Jan. 19) - Today is an 8 - Follow through on a hunch and also on a good lead from a friend. It may be time to spend some money in order to ease some of your burden. How about hiring somebody to do a job you don't like?

**AQUARIUS** (Jan. 20-Feb. 18) - Today is a 5 - You've carefully chosen the course that should be followed. Others sought your advice, and you've solved every problem. You know what needs to be done and how to do it. When the commander gives the order, it's a go.

**PISCES** (Feb. 19-March 20) - Today is an 8 - It's slightly easier than usual to tell your loved ones exactly how you feel. The words may come out before you have a chance to wonder whether they're the right ones. Don't worry - they will be.
