**Horoscope by Linda C. Black**

**TODAY'S BIRTHDAY** (Nov. 20). The more you discover, the more eager you are to make big changes. Your household is disrupted for a lot of the year while you push to make things much better. This kind of action is good for you. Use good ideas wherever you find them, even from somebody you don't like. That's the key to your success.

To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging.

**ARIES** (March 21-April 19) - Today is a 6 - You're not really out of control. It's just that others are taking action now, but you're not. Study what others are doing. Then, when it's your turn, you'll be ready.

**TAURUS** (April 20-May 20) - Today is a 5 - There's a clash between two strong characters. If it's happening near you, stay out of the way. Ever felt like you were invisible? That's where you'd like to be. Blend into the woodwork and let them fight it out. It's still too close to call.

**GEMINI** (May 21-June 21) - Today is a 6 - The money is still coming in. There's still a lot more work to be done, but you're not giving up. You're inspired to take new ground. Expand your operation. With the right people on your side, the sky is the limit.

**CANCER** (June 22-July 22) - Today is a 7 - Your plans may be temporarily thwarted by a lack of funds. This just means you get to do more planning. When one door shuts, another opens. All you have to do is find that other door.

**LEO** (July 23-Aug. 22) - Today is a 5 - Is there something bothering you? Something pressing on your conscience? It's not going to dissolve all by itself, even if you ignore it. Much better to talk it over with a person who can help you do something about it.

**VIRGO** (Aug. 23-Sept. 22) - Today is a 7 - You're

at the part in the game where you have to push really hard. Give it all you've got. You can do this. Use machinery to help whenever possible.

**LIBRA** (Sept. 23-Oct 22) - Today is a 7 - Your loved ones give you a shove in the right direction. You knew they believed in you, but now you're sure. They're taking action so that you can win. Accept their support.

**SCORPIO** (Oct. 23-Nov. 21) - Today is a 6 - Whoa! Slow down! Time to regroup and reschedule. Reassess your priorities, then make another effort to achieve your goal. Before then, make sure everybody else knows what they're supposed to do.

**SAGITTARIUS** (Nov. 22-Dec. 21) - Today is a 7 - If somebody's asking tough questions and you don't have the answers, you can find out in no time at all. Trouble is, you may get interested. If that happens, you'll have to take everything else off your schedule.

**CAPRICORN** (Dec. 22-Jan. 19) - Today is a 7 - It's time to prime the pump. Spend a little money to make more later. Your investment could be in tools and equipment. And don't overlook personnel. A good assistant is worth his or her weight in gold.

**AQUARIUS** (Jan. 20-Feb. 18) - Today is a 6 - You're getting a boost of energy as the Moon goes into your sign. Your path is clearer today than tomorrow, so don't let up.

**PISCES** (Feb. 19-March 20) - Today is a 7 - Your subconscious is a beehive of activity. You're weighing all your options and the possible consequences. You want to take action, but you also want to be absolutely sure. Sometimes that's not possible. That's where faith comes in. Keep listening.
