Horoscope by Linda C. Black

TODAY'S BIRTHDAY (Nov. 21). You're on a roll this year. You're motivated by others, and by your own conviction that you're right. Don't ever make your own needs most important, though. You're doing this for love and justice. Don't be afraid to take new territory. You'll have the support you need.

To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging.

ARIES (March 21-April 19) - Today is a 6 - You're kind of a lone ranger, but you can work with a team. It's a good skill to learn, especially for days like this, when you don't feel like doing much of anything. Get your friends to do it for you. Sometimes it's OK to let others fight your battles.

TAURUS (April 20-May 20) - Today is a 5 - Let your mate or partner speak for you. He or she will make many good points in your favor. And if he or she says something ridiculous, you still have an out.

GEMINI (May 21-June 21) - Today is a 6 - Your life isn't easy yet. Quite the contrary. You have a lot to juggle. Your full concentration is required, so don't promise anybody you'll meet with them. Instead, do lunch with them over the weekend or next week.

CANCER (June 22-July 22) - Today is a 7 - Did you know that Cancer is the sign of the millionaire? That's because you naturally save things. Another reason is your creativity. And, of course, your tenacity. Use all those talents now to emerge triumphant.

LEO (July 23-Aug. 22) - Today is a 5 - Somebody's pushing you to take action. By now you have a good idea of what needs to be done. If it were easy, you'd have scratched it off your list years ago. Do it now. You'll find a way.
