**TODAY'S BIRTHDAY** (Nov. 30) - Your enemies define you this year more than ever. They also motivate you and keep you sharp. A tough partner is also essential to your success. Choose someone who won't let you lose faith in your own abilities, or your faith in love and truth. You can find the information, technology and financial backing you need. Go for it!

To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging.

**ARIES** (March 21-April 19) - Today is an 8 - There's too much on your agenda. How are you going to do it all? If you find yourself double-booked, get a friend to represent you at the events you can't make.

**TAURUS** (April 20-May 20) - Today is a 6 - The money is finally headed your way. Wrap up the deal you've been negotiating. You can take the pressure and hand some out. Never falter, never fail.

**GEMINI** (May 21-June 21) - Today is a 7 - If you have a strong partner on your side, you can talk anybody into anything. If you and your mate disagree, the fur will fly. Things will get very interesting either way. Yes, there is a happy ending.

**CANCER** (June 22-July 22) - Today is a 5 - Take time to do your calculations carefully. No need to hurry. Make sure you avoid mistakes, because there may be a bit of confusion. Stay cool and help others do the same.

**LEO** (July 23-Aug. 22) - Today is an 8 - You don't have to do everything now. You can relax and let some of your friends take over. They've got some good ideas and should be quite effective. So what will you do? You're the coach!

**VIRGO** (Aug. 23-Sept. 22) - Today is a 6 - It's time to make your report on recent activities. Management wants to know what's going on.

They'll be asking lots of questions. Luckily, you've got a good memory. Give them the facts and get your next assignment.

**LIBRA** (Sept. 23-Oct 22) - Today is a 9 - Think you could get off work early? There are places to go and people to see. If you get to do that as part of your job, even better! If possible, take your sweetheart along. If not today, tomorrow.

**SCORPIO** (Oct. 23-Nov. 21) - Today is a 5 - If the game were easy, you'd be bored. And this game sure isn't boring. You have a whole bunch of choices to make involving your money and the money of others. Heed your roommate and/or your mother's advice.

**SAGITTARIUS** (Nov. 22-Dec. 21) - Today is an 8 - Don't argue with a person who's trying to set you straight. Accept the coaching and become more effective. Divvy up tasks in order to accomplish more.

**CAPRICORN** (Dec. 22-Jan. 19) - Today is a 5 - You could make a hefty profit now by finishing up your own lists. Get to work on all the stuff you've jotted down, from good ideas to obligations. Do the obligations first. It'll clear your head.

**AQUARIUS** (Jan. 20-Feb. 18) - Today is an 8 - You're vindicated. You didn't need to know everything. The situation's back to normal - or close enough - and you can finally relax. Schedule an evening full of your favorite people and favorite things.

**PISCES** (Feb. 19-March 20) - Today is a 5 - More changes are under way, both in your career and at home. This causes confusion, but you can find your way through it. You might also find something better than you had before. Follow the light.
