Dennis Erickson led the Beavers to an 11-1 record last year and a berth in the Fiesta Bowl, but this year Oregon State is a disappointing 5-5 and could miss the postseason.

TROUBLED WATERS

Oregon State head coach Dennis Erickson turned around a struggling team, but it turned back on him

By Peter Hockaday

Dennis Erickson came in with a whirlwind and turned around an ailing Oregon State football program two years ago.

The coach took a Beaver team that had seen 28 consecutive losing seasons and posted a 7-5 record for OSU in his first year, earning a berth in the Oahu Bowl. Last season, Oregon State only improved, going 11-1 and trouncing Notre Dame in the Fiesta Bowl.

Now the Beavers have turned back.

Oregon State's dismal 2001 season — the Beavers are 5-5 overall and will miss the postseason unless they beat the Ducks — cannot be blamed on Erickson, at least not entirely. The coach has certainly proved himself enough in past coaching roles.

"We were picked very high, and expectations were high," Erickson said in a press conference Tuesday. "For whatever reason, things didn't work out."

Things have often worked out for Erickson over his 19-year coaching career. His coaching prowess has produced results, and he is seventh among active college coaches in winning percentage.

Erickson began his journey in Idaho, where he won 32 games in four years. He had less success at Wyoming, where he accumulated a 6-6 record in 1986. He joined the Pacific-10 Conference for the first time as head coach of the Washington State Cougars in 1987-88.

The coach got his big break after steering WSU to a 12-10-1 record in two seasons. He was offered a job by national powerhouse
