coming february 4th-7th

Horoscope by Linda C. Black

TODAY'S BIRTHDAY (Jan. 8). You may have a crusty exterior, but you're all soft and gooey inside. Your biggest challenge this year is to keep from giving all your money away. Be generous, of course, but save enough for yourself, your business and your family.
To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging.
ARIES (March 21-April 19) - Today is a 6 - It's getting easier to express your opinions. Don't feel bad if everyone doesn't agree, however. You could have predicted that one person wouldn't. Don't let that stop you. Educate him or her.
TAURUS (April 20-May 20) - Today is a 7 - It looks like everything's going fine, but don't be too sure. You and your friends can have a valid point and still have trouble getting it across. If anyone knows how to be tactful, it's you, and this is a good day to be tactful.
GEMINI (May 21-June 21) - Today is a 6 - Sure, life gets difficult sometimes. But you know how to take good care of other people, and if you're getting paid to do it, so much the better.
CANCER (June 22-July 22) - Today is a 7 - Love conquers all. That's a good concept to remember when things get tough. You don't quite have the money for something a special person wants. Make this person realize that what you have together is more important than anything else.
LEO (July 23-Aug. 22) - Today is a 5 - If you're trying a lot of things that don't work, take heart. Edison tried using thousands of things for a filament before he got that first bulb to light up. Everything failure is really just a step in the right direction.
VIRGO (Aug. 23-Sept. 22) - Today is a 7 - Another day, another dollar? Actually, you couldn't

care less about filthy lucre today. Is this the beginning of an anti-materialistic trend in your life? Nah. It's just that you're distracted by something more interesting.
LIBRA (Sept. 23-Oct. 22) - Today is a 7 - Something a loved one wants is totally out of the question. You simply can't afford it yet. You're not real good with deferred gratification, but you can learn and so can your loved one. The longer the campaign, the sweeter the victory.
SCORPIO (Oct. 23-Nov. 21) - Today is an 8 - Your intuition is excellent, especially when you're connecting with someone you love. The two of you are developing goals that will take a while to achieve. Put time into planning. Don't leave anything to chance.
SAGITTARIUS (Nov. 22-Dec. 21) - Today is a 6 - Do you have the feeling somebody's leaning over your shoulder, watching every move and making critical comments? Tell this person to get a life. If it's just your own conscience, you'd better clean up your act.
CAPRICORN (Dec. 22-Jan. 19) - Today is an 8 - You'll be the first to take on a big job, but you don't have to do everything. Let your friends help out every so often. There's a team of them waiting to hear from you. Let them know what needs to be done.
AQUARIUS (Jan. 20-Feb. 18) - Today is a 6 - You're pretty independent, but the person signing your paycheck wants to be in control. Allow him or her to believe that they are - at least until after the last check clears.
PISCES (Feb. 19-March 20) - Today is a 7 - Travel still isn't a good idea. Do something else with your time. Call and have the item delivered. Hold your conference on the phone. Your intuition is working fine, by the way.
