Dave? Who's Dave?

He isn't a prophet or a god, just a member of the Unitarian Universalist Young Adults group. You see, we draw upon many sources in our search for truth. Christianity, Islam, Buddhism . . . And most importantly YOU. After all, you determine your own faith.

You don't have to convert or believe or memorize any creeds. Just join us for food, worship and fun!

It's a religious community for people who question. People who look for life's meaning. People who think. People just like you. And Dave.
