**TODAY'S BIRTHDAY** (Jan. 24). You're confident, imaginative, spiritually advanced, creative and highly attractive. No wonder others are drawn to you. You may have been shy or preoccupied in the past. But this year, let yourself fall freely into love.  
To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging.  
**ARIES** (March 21-April 19) - Today is a 9 - All of a sudden you're the most popular kid in town. The whole gang recognizes your unique talents. They're all bugging you to help them with their homework. It's as if they never before realized how smart you are. It's about time!  
**TAURUS** (April 20-May 20) - Today is a 5 - The money should start pouring in, but you may be too pooped to enjoy it. If you've truly won at this game, you've established a cash flow that comes in automatically. If you haven't won yet, keep at it.  
**GEMINI** (May 21-June 21) - Today is an 8 - You'll emerge as the lucky winner. But it's not luck that's behind this success. It's your own perseverance. You may have had to do some jobs over two or three times to get them right. If you're not quite there yet, hurry!  
**CANCER** (June 22-July 22) - Today is a 5 - You can't afford to be worried now. Turn that anxiety into action. Do the research, make those phone calls, surf the Web - whatever it takes. Launch an investigation, learn what to do, and watch those old fears turn into new confidence.  
**LEO** (July 23-Aug. 22) - Today is an 8 - All of a sudden the sun is shining brightly - in your heart, anyway. Most things will chug right along. There may be a few mechanical glitches, but that can't be helped. Mercury is still retrograde. Blame it on that.  
**VIRGO** (Aug. 23-Sept. 22) - Today is a 5 - Your
