Horoscope by Linda C. Black

TODAY'S BIRTHDAY (Jan. 31). Other people trust you this year, and with good reason. They want you to do complicated things for them because they know you can. Don't let their faith in you go to your head. And, don't do it for free. Get all contracts in writing, and make sure you're paid well for your services.
To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging.
ARIES (March 21-April 19) - Today is a 7 - This job would be a lot harder if you didn't have friends to help. It's your responsibility to make sure they do. If they're being a distraction, tell them to leave. Prove you can be trusted to keep your word.
TAURUS (April 20-May 20) - Today is a 7 - Take a little break and have a little fun. Call a dear friend or enjoy a special treat for lunch. You're going to have a busy day tomorrow. Prepare for it by taking good care of yourself now.
GEMINI (May 21-June 21) - Today is a 6 - You may be feeling frustrated or impetuous. You're anxious to make a change, but don't upset the apple cart. Ask a distant friend for an objective opinion.
CANCER (June 22-July 22) - Today is a 6 - The more you can focus your attention, the more you'll remember. Do the reading without complaint. Be slow and methodical. You can solve even the toughest problem, and you'll feel great when you do.
LEO (July 23-Aug. 22) - Today is a 7 - This is the day when the money goes out, possibly with your blessings. Make an investment in the person who has all the right answers. It looks like you'll be luckier if you let this other person spend your money for you.
VIRGO (Aug. 23-Sept. 22) - Today is a 7 - Continue to work with someone who can help streamline your procedures. You've been too patient for too long. Insist on changes that are long overdue. If new equipment is required, get the highest quality. It'll make your life much easier.
LIBRA (Sept. 23-Oct 22) - Today is a 7 - You loved ones need more of your attention. You didn't mean to neglect them, but you've been rather busy. Postpone your big night out on the town till this weekend. All travel, near and far, will be easier then. Devote today and tonight to your special people, in private.
SCORPIO (Oct. 23-Nov. 21) - Today is a 6 - Looks like something you need is coming your way. Are friends visiting? Don't think of this as more pressure. Put everybody to work. Even a perfectionist will be glad to help, and that person's special skills will be useful.
SAGITTARIUS (Nov. 22-Dec. 21) - Today is a 7 - You're having to re-examine everything you thought you knew. All you have to do is acknowledge that there's still a lot to learn. Piece of cake, right?
CAPRICORN (Dec. 22-Jan. 19) - Today is a 7 - Can't you go anywhere or do anything without making a profit? Not today. Unfortunately, every one of those opportunities means more work. Figure out a way to get other people to do some of it for you.
AQUARIUS (Jan. 20-Feb. 18) - Today is a 7 - You're still on the receiving end of energy, attention and maybe even money. You could get a better job or a new assignment. It looks like work is involved, and you're expected to do it perfectly.
PISCES (Feb. 19-March 20) - Today is a 6 - Your partner could be critical of decisions you've made. Be willing to defend your choices or, if the reasons are good enough, make modifications. Two heads are better than one.
