### Track teams compete at UW Classic

In their second trip to the Dempsey Indoor Complex at the University of Washington, the Duck men's and women's track and field teams continued to collect personal bests and qualifying marks at Saturday's UW Quad Classic.

Redshirt juniors Becky Holliday and Niki Reed led the Oregon women with NCAA automatic qualifying marks in the pole vault (second/third, 13-9 3/4) and broke the previous school record (13-5 1/4) they shared by 4 1/2 inches. Sophomore Kirsten Riley also climbed the NCAA provisional list with her half-inch personal best (fourth, 12-10), followed by season bests and Mountain Pacific Championships qualifying efforts by redshirt junior Georgette Moyle (ninth, 11-11 3/4) and freshman Hannah Moore (16th, 11-5 3/4). Former NCAA champion Tracy O'Hara of UCLA won the event with a na-

tional-lead clearance of 14-3 1/2.

Holliday returned to finish third overall in the 200-meter dash (26.05), best among the Ducks.

In the sprints, junior Janette Davis helped the squad notch a pair of wins and season bests in the 400 (56.23) and 4x400 relay (3:51.97).

Individually for the Duck men, redshirt juniors Jason Boness (high jump, 7-1) and Micah Harris (60 hurdles finals, 7.90) exactly met the NCAA provisional minimum qualifying standards en route to wins.

The distance corps made its largest appearance of the season so far as four Ducks joined the Mountain Pacific Championships qualifying list in the mile — redshirt junior Simon Kimata (mile, second, 4:06.74), redshirt freshman Noel Paulson (mile, third, 4:06.80), redshirt sophomore Ryan Andrus (mile, fifth, 4:09.81), and redshirt freshman Eric Logsdon (mile, sixth, 4:10.01).

USC had one of those six-point leads with 5:54 left in the contest, but Freddie Jones hit a three-pointer to pull the score to 63-60.

Bibby was also displeased with the post-game fracas. According to Archibald, the head coach, who had led his team down the stairs, rushed back up when he heard the profanities.

"This isn't the first time this has happened," Bibby said. "Security just didn't keep people back."

With the win, the Ducks are in sole possession of first place in the conference with seven games left. USC and Arizona are tied for second, while UCLA is in fourth.

Oregon travels to Stanford and California, both 6-4 in the Pac-10, next weekend.

### Horoscope by Linda C. Black

**TODAY'S BIRTHDAY** (Feb. 4). Some years you go forward, but this year you'll go back. Review what you should know by now, and dig into it even further. An old area of study regains your interest, as you discover all sorts of new treasures.

To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging.

**ARIES** (March 21-April 19) - Today is a 7 - This is not a good day for a team effort, even if your team is raring to go. More planning is required. Seems like you've been doing nothing else. You're advancing, and thereby encountering a whole new set of problems. Take 'em one at a time.

**TAURUS** (April 20-May 20) - Today is a 7 - Stand back a bit and let someone else speak for you. This person can state your case better than you can. Besides, that frees you up to do something else. A strong advocate for your cause is a solid investment.

**GEMINI** (May 21-June 21) - Today is a 7 - It may be difficult to express what's on your mind, especially when it comes to money. Get your facts straight before you speak. In about 10 days, it'll get easier. From now until then, do the homework.

**CANCER** (June 22-July 22) - Today is a 7 - You're still facing all sorts of problems, including a few technical difficulties, but you're not facing them alone. You have a powerful person on your side. If you feel overwhelmed, call for help.

**LEO** (July 23-Aug. 22) - Today is a 7 - You're a natural-born leader, but lately you've felt more like a follower. Don't fight it. Learn as much as you can from the experience.

**VIRGO** (Aug. 23-Sept. 22) - Today is a 6 - Make

time to work on your schedule and rearrange your priorities. Some things you wanted to do now will have to be postponed, but other opportunities arise. A conversation with a person you love brings needed support and encouragement. Make the call.

**LIBRA** (Sept. 23-Oct 22) - Today is a 7 - Love is going to have to wait while you take care of business. Promise to meet tomorrow night instead of tonight. If you hustle, you'll have done enough by then to justify (and pay for) another wild fling.

**SCORPIO** (Oct. 23-Nov. 21) - Today is a 6 - Evaluate your plans with a critical eye. Now is the time to decide what to toss and what to save. Sell the valuable stuff so that you can buy something special. Nothing says you have to lose money on this deal.

**SAGITTARIUS** (Nov. 22-Dec. 21) - Today is a 5 - Most things will take longer than expected and require more effort. Start shopping for the next big item on your list. An insider tip could lead you right to it.

**CAPRICORN** (Dec. 22-Jan. 19) - Today is a 7 - The things you try that don't work are actually very helpful. There'll be about three or four of them before you find the thing that does work. Don't give up.

**AQUARIUS** (Jan. 20-Feb. 18) - Today is a 7 - Pay attention to what's going on behind the scenes. That's where the action is. Ask a few leading questions and get the clues you've been after.

**PISCES** (Feb. 19-March 20) - Today is a 6 - You're more decisive now. You can see that some of the tasks on your list no longer need to be done. Scratch them off without a twinge of guilt. This makes the rest much more manageable.
