specified. Junior Alissa Edwards started in her place.

"I didn't do something I was sup-

posed to do, and I paid the consequence for it," Williams said.

Despite not starting, Williams scored 11 points and dished out eight assists.

"It was one of those nights where I

wanted to get my teammates involved, and I just didn't feel like scoring," she said. "I was able to put the ball on the floor, and it was like their defense was parting like the Red Sea and I was just able to find my posts."

With just three regular season games remaining — all on the road — the Ducks are still vying for a high seed in the inaugural Pac-10 Tournament, to be held at McArthur Court beginning March

1. The Ducks travel to Oregon State on Saturday for a 2 p.m. tipoff at Gill Coliseum.

Horoscope by Linda C. Black

TODAY'S BIRTHDAY (Feb. 11). It's good to concentrate on what you're doing, of course, but don't get too stuck on yourself. True, you are exceptionally talented this year. In the top 10 percent, as a matter of fact. It won't be easy to be humble, but try. It'll make you perfect.

o get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging.

ARIES (March 21-April 19) - Today is an 8 - Your analytical side is really coming out. You may not have even known you had one. You'll do best in association with other deep thinkers. Together, your chances of solving a major problem are excellent.

TAURUS (April 20-May 20) - Today is a 6 - You might earn a bonus if you can pass the test. It's all about skills you should have learned by now. If you have the experience, you may not even notice you're doing something difficult. If you don't, well, you'll know what to practice.

GEMINI (May 21-June 21) - Today is a 9 - Gemini is a sign that's known for its insatiable curiosity. You're even hungrier than usual for knowledge right now. You want to learn something that's useful or profitable.

CANCER (June 22-July 22) - Today is a 5 - Paperwork may be dominating your life. Don't waste time wondering where it came from. Just start sorting and filing. Everything will make sense eventually.

LEO (July 23-Aug. 22) - Today is an 8 - This is not a good time to get into an argument with your "better half." That could be your spouse, your attorney or your agent. This person is on a winning streak, so hitch a ride!

VIRGO (Aug. 23-Sept. 22) - Today is a 4 - Does it seem like others are asking you too much of you?

It's possible that you're not being fully appreciated, or not being paid as much as you should be. Just concentrate on what you're doing. You can still have satisfaction.

LIBRA (Sept. 23-Oct. 22) - Today is a 9 - You're awesome, but you're not doing this alone. You're getting lots of support (and good advice) from the people who love you. Don't forget to thank them for all they've done.

SCORPIO (Oct. 23-Nov. 21) - Today is a 5 - The temptation to stay in bed could be almost overpowering. You might actually have a good reason, like a cold or a bad case of nerves. You're usually solid as a rock, but a puzzle may be giving you fits. Make extra time to think.

SAGITTARIUS (Nov. 22-Dec. 21) - Today is an 8 - It's not often you assimilate complicated information this quickly. If you concentrate your efforts now, you can attain a new level of mastery soon. Don't leave it to chance. Study.

CAPRICORN (Dec. 22-Jan. 19) - Today is a 6 - Even though you seem to have plenty, you may be a little anxious. You're not sure there'll be enough to go around. Keep working and saving. Trust that hunch.

AQUARIUS (Jan. 20-Feb. 18) - Today is a 9 - To say you're powerful is an understatement. You've got the world on a string. A person you find attractive feels the same way back.

PISCES (Feb. 19-March 20) - Today is a 5 - Paper's cheap. So are pencils. Surround yourself with both. You're in a pre-creative state. Draw the plans, make the lists, compose the music. Let it flow. Don't be critical. This is the rough draft. Polish it later.
