TODAY'S BIRTHDAY (Feb. 21) You're growing and changing, taking on new responsibilities. You're not the same person you were. This new way of seeing yourself is justification for fine-tuning your personal environment. Make it fit the new you. Or, maybe simpler, just move. Get a new sound system, too.
To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging.
ARIES (March 21-April 19) - Today is a 7 - You'll soon be past the major hurdle. Wait until you're sure you're clear of it before turning up the power. There'll be a better opportunity to snatch the prize tomorrow.
TAURUS (April 20-May 20) - Today is a 6 - Don't spend recklessly, even for a good reason. "Recklessly" means anything you can't afford. There'll be plenty of temptations, but true friends won't try to talk you into them.
GEMINI (May 21-June 21) - Today is a 7 - You continue to be very convincing. With a little help from a committed friend and a technical whiz, you can produce exactly what's required. This could bring in some big bucks, so keep at it.
CANCER (June 22-July 22) - Today is a 7 - You sure have a lot on your mind, and some of it may be troublesome. If you need to make some changes, now is the time. Adjust your course so that you'll end up in the right place.
LEO (July 23-Aug. 22) - Today is a 7 - Keep your money in your pocket. Accept a friend's offer to pick up the tab. You've done it for them in the past; let them return the favor. Don't stay out too late, either. Your sweetheart would get upset.
