Horoscope by Linda C. Black

TODAY'S BIRTHDAY (Feb. 28). New evidence or strong criticism causes you to rethink a pet project. No point hanging onto it if it won't work. Besides, once you let go, you'll come up with a better idea - more than just one, actually. If you give your imagination more room, you'll be delighted with the results.
To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging.
ARIES (March 21-April 19) Today is a 6. You're almost past the worst part. Tomorrow will be much easier. It might even be fun. This weekend certainly will be. Make a date with your favorite partner, then get back to work. The more you can get done today, the better.
TAURUS (April 20-May 20) Today is a 6. Your financial worries may soon be over. Somebody is willing to pay for a service you can provide. This might be through a regular job, but maybe not. If you help somebody make their dream come true, yours might come true, too.
GEMINI (May 21-June 21) Today is a 5. It'll be hard to concentrate on one task long enough to get it done. Do what the boss wants first. Then, clean up your place. You'll want to entertain a special person soon.
CANCER (June 22-July 22) Today is a 6. You're slowing down a bit, taking care of the details. You don't want to miss anything. If you're careful the first time, you won't have to do the job over.
LEO (July 23-Aug. 22) Today is a 6. If anybody owes you money, call and bug them. It'll be easier to get it now than later. Packages you send will encounter fewer delays, and ads placed will have quicker results. Don't wait until tomorrow. Do it now.
VIRGO (Aug. 23-Sept. 22) Today is a 7.

You're known for the excellent service you provide, not for shrewd manipulations, but you can hold out for what you want. If you hold out, all that work you've done will gain you more than just respect.
LIBRA (Sept. 23-Oct 22) Today is a 7. Evaluate your work objectively. You may have to get rid of something you really like to bring the whole thing into balance. Trust your own intuition.
SCORPIO (Oct. 23-Nov. 21) Today is a 6. Better hold off on a trip you're contemplating, at least for a few more days. If you must go now, be extra careful about details. The odds of forgetting something at home are much greater than usual.
SAGITTARIUS (Nov. 22-Dec. 21) Today is a 7. Are you being harassed by a nitpicker? Someone who insists that every detail be perfect? Don't complain to your friends; just do it. You'll benefit from the experience.
CAPRICORN (Dec. 22-Jan. 19) Today is a 6. The worst is over, and you've somehow managed. Now there's a report to be made. If you let higher-ups know what you've discovered, you'll be rewarded.
AQUARIUS (Jan. 20-Feb. 18) Today is a 6. Resist more assaults on your wallet. Pay bills, but save some for yourself. You may want to take a friend out to dinner or a movie, or to Paris for the weekend.
PISCES (Feb. 19-March 20) Today is an 8. The elaborate plans you make now with your mate or partner can come true. Invest in something you can share, something that you've thought about for ages. You can find the money. Lady Luck is smiling on you!
